Select Second Size Hyacinths

(17-18 etm.)

These are a little smaller than our Extra Selected first size bulbs but are fine flowering stock and admirably adapted for forcing and for pot culture, also for high-grade bedding where distinct shades of color are desired. We can furnish them in the following grand varieties:

Single Red, Rose and Pink

	Per doz.	100	1000
Gertrude. Deep rose; extra fine	\$1 50	\$10 00	\$90 00
Gigantea. Soft blush pink....	1 50	10 00	90 00
Lady Derby. Soft rose-pink....	1 50	10 00	90 00
La Victoire. Brilliant dark carmine-rose.....	1 50	10 00	90 00
Marconi. Rich rose-pink.....	1 50	10 00	90 00
Roi des Belges. Brilliant crimson-scarlet.....	1 50	10 00	90 00

Single Pure and Tinted White

General Vetter. Creamy blush white.....	1 50	10 00	90 00
L'Innocence. Purest white. Extra fine.....	1 50	10 00	90 00
La Grandesse. Magnificent clear white.....	1 50	10 00	90 00
Queen of the Whites. Purest white.....	1 50	10 00	90 00

Single Blue, Purple, etc.

Enchantress. Beautiful lavender-blue.....	1 50	10 00	90 00
Grand Maitre. Deep porcelain blue; very large.....	1 50	10 00	90 00
Queen of the Blues. Silvery blue.....	1 50	10 00	90 00

Single Yellow

City of Haarlem. Rich yellow..	1 50	10 00	90 00
Yellow Hammer. Pure yellow..	1 50	10 00	90 00

Extra Selected First Size Hyacinths (18-19 etm.)

The superiority of named Hyacinths for forcing and bedding is attested by the increasing sales every year. First size bulbs can be relied on to produce full spikes, which command high prices and ready sale.

Single Red, Rose and Pink

	Per doz.	100	1000
General de Wet. The pink Grand Maitre.....	\$1 75	\$12 00	\$110 00

Ixias (African Corn Lily)

These charming half-hardy bulbs from the Cape of Good Hope are very ornamental for indoor culture, or planted in cold frames. The flowers are of the most brilliant, rich and varied hues. We offer them in mixture. \$2.00 per 100; \$15.00 per 1000.

Leucojum Vernum (Spring Snowflake)

A fine hardy spring flowering bulb with flowers like an enlarged Snowdrop. Excellent for the Rock Garden. \$4.50 per 100; \$40.00 per 1000.

Muscari (Grape Hyacinths)

One of the prettiest of early spring flowering bulbs, growing about 6 inches high, and throwing up numerous spikes of flowers, which resemble a miniature inverted bunch of grapes. Splendid for the Rock Garden.

Armeniacum. Effective long stemmed Grape Hyacinth of deep cobalt blue, enlivened by white lacing at the aperture of the bells. Wonderfully fragrant. Flowers large and blooms late. \$2.75 per 100; \$25.00 per 1000.

White Grape Hyacinths (Pearls of Spain). Pure white. \$4.00 per 100; \$35.00 per 1000.

Heavenly Blue Grape Hyacinths. A strong growing variety producing much larger spikes of flowers than the ordinary Blue Grape Hyacinth. Color clear light blue; very showy. \$2.25 per 100; \$20.00 per 1000.

Ranunculus

Double French Hybrids. A splendid strain of these colors range through yellow, white, crimson, purple, etc. Excellent for pot culture for blooming during winter or in cold frames for spring. Mixture contains all colors. \$4.00 per 100; \$35.00 per 1000.

Florentine. Very similar to the French in colors, but more desirable because of its very large flowers. Mixture containing all colors. \$4.50 per 100; \$40.00 per 1000.

Scillas (Squills)

Sibirica. One of the prettiest of early spring-blooming bulbs, of dwarf habit, with sprays of exquisite rich blue flowers. Grown in masses, in conjunction with Crocus, particularly the yellow variety, Chionodoxas and Snowdrops, the effect is charming. Equally effective in the Rock Garden, Mammoth bulbs. \$4.00 per 100; \$35.00 per 1000.

Campanulata (Spanish Blue-bell, or Wood Hyacinth). A beautiful spring-flowering bulb; spikes of bell-shaped flowers, fine for naturalizing in the woods, etc. We offer them in separate colors and in mixture as under:

	Per 100	Per 1000
Blue	\$2 75	\$23 00
Rose	4 00	35 00
White	2 25	27 50
Mixed Colors	3 00	25 00

Snowdrops (Galanthus)

Single. The first of all flowers to herald the approach of spring. In conjunction with Chionodoxas and Scilla Sibirica, a matchless effect can be produced in the border, or the Rock Garden. Extra large bulbs, \$3.00 per 100; \$25.00 per 1000.

Miscellaneous hardy bulbs are used extensively in Rock Gardens.

**Lilium Harrisii (Bermuda Easter Lily)**

White Lilies for Easter Flowering

(Easter in 1931 comes on April 5th)

Lilium Candidum (Ready late August) (Madonna or Annunciation Lily)

Aspidistra Lurida

We Make No Charge for Boxes or Packing

Frilled Tuberous Begonia

Dreer's Extra Choice Tuberous-Rooted Begonias

Ready for Delivery Early in January

The Tuberous Rooted Begonias which we are now offering are, of course, all American grown, produced for us by a specialist in this particular line. During the past summer when they were at their best, we have again had the opportunity of looking these over, and were delighted to see the advances made in their production as well as with the superior quality of the various types, and we assure our customers that they can depend on receiving stock at least equal if not actually superior to what we have supplied in the past.

The tubers we send out are from 1½ to 2 inches in diameter, the best size for all commercial purposes, be this for growing in pots or for outdoor bedding.

Frilled Tuberous-Rooted Begonias

If you have only been growing the ordinary plain-edged Begonias, you will be delighted if you will give this wonderfully improved strain a trial. The flowers are not only of giant size, but the petals are beautifully frilled and waved, not unlike the finest frilled or ruffled Petunias.

Crested Tuberous Rooted Begonias

A novel and most interesting type, with large substantial flowers on which each petal carries a cockscomb-like crest which extends from the base of the petal to near its edge where it terminates in a series of charming undulations. Unique and beautiful.

Choice Mixed Colors. \$2.25 per doz.; \$16.00 per 100.

Trailing Tuberous Rooted Begonias

Splendid for growing in hanging baskets or as individual specimens in pots where the branches drooping over the edges produce masses of attractive showy flowers.

Choicest Colors, Mixed. 35 cts. each; \$3.50 per doz.

Bougainvillea

Crimson Lake. Introduced through the Bureau of Plant Industry of the Department of Agriculture.

The flowers are like all other Bougainvilleas, perhaps a trifle larger, but in coloring none compare with it in richness and brilliancy. On first opening a brilliant crimson-lake, retaining this color for three or four weeks, after which they gradually pass to a crimson-carmine. 3-inch pots, \$3.50 per doz.; \$25.00 per 100.

Camellia Japonica

We offer a nice lot of thrifty plants 12 to 15 inches high in 6-inch pots in Double Pink and Red. \$2.50 each.

Fancy Leaved Caladiums

Our assortment of Fancy Leaved Caladiums is the finest procurable, consisting of the best of Dr. Nehrling's American Hybrids, the choicest of Lietze's Brazilian introductions together with the best older standard sorts.

Strong bulbs ready for delivery early in January.

California Grown Trained Boxwoods

California Grown Boxwoods

These are an exceptionally fine lot of nicely-trained plants. This variety is known as Japonica and is unquestionably the hardiest of all the Boxwoods.

This stock must not be confounded with the ordinary field grown plants offered at low prices; the plants we supply have been frequently transplanted and root pruned, and are developed with a mass of fibrous working roots which insures their success after transplanting.

Dreer's Fine Ferns

Platycerium Alciorne Major

Adiantum Gloriosum (Glory Fern)

This is the most beautiful of the Maidenhairs, and which has displaced Adiantum Farleyense; it is just as handsome and while Farleyense was a very difficult variety to grow, the Glory Fern is as easily handled as any of the ordinary Adiantums.

2½-inch pots, \$3.00 per doz.; \$20.00 per 100; \$175.00 per 1000.

3-inch pots, \$6.00 per doz.; \$50.00 per 100.

4-inch pots, ready in December, 75 cts. each.

5-inch pots, ready in December, \$1.50 each.

6-inch pots, ready in December, \$2.00 each.

Adiantum Wrightii

This strong growing Maiden Hair is rapidly gaining wonderful popularity as a variety for cutting, its pinnae is intermediate in size between Cuneatum and the Glory Fern, it is of a cheerful bright green color and fronds 2½ feet long or more can readily be produced. Besides its value for cutting it makes a most beautiful specimen plant in a 4 to 6-inch pot or larger. It is of rapid growth and makes a good decorative subject. We can see a great future for it as a decorative pot plant.

2½-inch pots, \$12.00 per 100; \$110.00 per 1000.

3-inch pots, \$3.50 per doz.; \$25.00 per 100.

4-inch pots, ready in December, \$6.00 per doz.;

\$50.00 per 100.

Asplenium Nidus Avis (Bird's Nest Fern)

A splendid healthy, clean lot of plants.

5-inch pots, \$1.50 each.

Specimen plants, 7-inch pots, ready in December, \$2.50 each.

Cibotium Schiedei

Good specimens in 10-inch tubs. \$5.00 each.

Cyrtomium Rochfordianum Compactum

The Improved Holly Fern

This is a splendid compact growing and best form of Cyrtomium Rochfordianum that is valuable either as a small plant or for growing on as a specimen plant.

We offer a fine lot of 2½-inch pots, \$6.00 per 100; \$50.00 per 1000.

3-inch pots, \$15.00 per 100.

4-inch pots, \$25.00 per 100.

Nephrolepis—Boston Fern

	Each
4-inch pots	\$0 50
6-inch pots	1 00

Platycerium Alciorne Major (Stag-Horn Fern)

One of the prettiest and easiest growing varieties of the interesting Stag Horn Ferns, a splendid plant for the conservatory. (See illustration.) Strong 3-inch pots, \$1.00; 5-inch pots, \$2.50 each.

Polystichum Coreaceum

Now extensively grown in Florida for cutting purposes; a valuable Fern to grow on into 4 to 6-inch pots making a useful plant for house decoration. 2½-inch pots, \$1.75 per doz.; \$12.00 per 100.

Seedling Plants of Polypodium Mandaianum

This variety originated with us as a seed spore from Mandaianum and by careful selection we have succeeded in fixing a type which is now one of the most popular decorative Ferns in commerce.

2½-inch pots, \$12.00 per 100; \$110.00 per 1000.

4-inch pots, \$4.50 per doz.; \$35.00 per 100.

Capensis. Blue. 3-inch pots.....	\$1 50	\$10 00
" Alba. White. 3-inch pots...	1 50	10 00
Coccinea Superba. 3-inch pots.....	2 50	18 00

Sansevieria

Zeylanica Laurenti. This variety, in addition to the variegation shown in the ordinary sort, has a band of creamy yellow varying from ¼ to ½ inch or more in width on each edge of the leaves, which adds greatly to its decorative effect. A fine stock of good plants, in 3-inch pots 50 cts. each; 4-inch pots, 75 cts. each; 5-inch pots, \$1.50 each; 6-inch pots, \$2.00 each.

Stigmaphyllon Ciliatum

(Brazilian Golden, or Orchid Vine)

One of the prettiest tender climbers in cultivation, with large yellow, orchid-like flowers, produced very freely during the summer months. It is especially adapted for training over the pillars or on the wall of a conservatory, but will do equally well in the open air. 35 cts. each.

Pandanus Veitchi

A Sterling Novelty

Anthemis Tinctoria Perry's Variety

A new hardy perennial of sterling merit; a wonderful improvement over the well-known Golden Marguerite "Anthemis Tinctoria," easily grown in any ordinary border producing its large, nearly 3 inch across, well-shaped flowers from June to October. The well proportioned bushes with delicate Fern-like foliage are most attractive and become covered with bright golden-yellow flowers which are valuable for cutting.

This beautiful introduction during the season of 1929 was awarded a Certificate of Merit by the Royal Horticultural Society of England, the Banksian Medal; Silver Medal and First Class Certificate at Elstree and a Bronze Medal at Birmingham, England. 3-inch pots, \$3.50 per doz.; \$25.00 per 100.

Artemisia Lactiflora

(Hawthorn Scented Mugwort)

A most effective flowering plant, with erect stems $3\frac{1}{2}$ to $4\frac{1}{2}$ feet high, clothed with elegantly cut dark green foliage and terminated by panicles of Hawthorn-scented creamy white Spiraea-like light and graceful flowers. It is at its best from the latter part of August to the end of September. **\$1.75 per doz.; \$12.00 per 100.**

Fall-flowering Hardy Asters

(Michaelmas Daisies, or Starworts)

The collection offered below is made up of the choicest varieties only.

Anita Ballard. Light lobelia shading to lighter centre, early and free $3\frac{1}{2}$ feet.

Brussels. Very large, light lavender blue. 4 feet.

Capitaine. Light lavender blue. 4 to $4\frac{1}{2}$ feet.

Chaterham Gem. Feathery sprays of good-sized light lavender blue flowers. 3 feet.

Enfante de Vitry. Semi-double lilac mauve. $2\frac{1}{2}$ feet.

Ghent. Large soft lilac-mauve. 3 feet.

King of the Belgians. Light lobelia blue. 3 feet.

Liege. Large, soft, rosy pink. $2\frac{1}{2}$ feet.

Maid of Athens. Soft lavender blue. 3 feet.

Mother of Pearl. Large flowers, mauve-pink at edges, shading to white-tinted centre. 2 to 3 ft.

Novae angliae. Bright violet purple. 4 feet.

" " **Mrs. F. W. Raynor.** Large purplish-crimson. 4 feet.

" " **Roseus.** Bright purplish-mauve. 4 feet.

Novi belgii Climax. Large pyramidal spikes of large light lavender-blue flowers; very free. 5 feet.

Novi belgii White Climax. A counterpart of above with white flowers.

Novi belgii St. Egwin. A pleasing soft rosy-pink. 3 to 4 feet.

Sam Banham. Large, feathery, pure white, one of the earliest. 3 feet.

Tataricus. Large bluish-violet; very late. 6 feet.

The President. Large light bluish-violet. 4 feet.

Trouville. Semi-double bright mauve-pink. 3 feet.

Price. Any of the above, **\$1.50 per doz.; \$10.00 per 100.**

**Aster alpinus****Hardy Aster****Five Select Hardy Asters**

Barr's Pink. This is of the Novae angliae type, a strong, vigorous grower forming shapely plants from four to five feet high and the finest bright pink flowers of any Aster yet introduced.

Heather Glow. Very free vigorous grower with large-sized flowers of a delightful shade of brilliant rose with conspicuous golden centre; 4 feet.

Maggie Perry. Very large flowers loosely arranged in large branching trusses, of a pleasing soft tone of mauve.

Queen Mary. This is unquestionably the best of the Novi belgii type yet introduced, with graceful flowers $2\frac{1}{2}$ inches in diameter arranged loosely in branching panicles of a particularly pleasing blue tinted lavender. $3\frac{1}{2}$ feet high.

Thora Perry. Stout branching stems 3 feet high, covered with large semi-double, silvery white flowers; one of the earliest of the fall flowering varieties. Any of the above **\$2.00 per doz.; \$15.00 per 100.**

Summer Flowering Hardy Asters

Amellus Elegans. Grows 12 to 15 inches high and produces large, showy flowers of a rich bluish-violet during July and August. **\$2.00 per doz.; \$15.00 per 100.**

Acris. Very free, violet blue, **\$2.00 per doz.; \$15 00 per 100.**

Dwarf Alpine Asters

	Per doz.	Per 100
Alpinus. Showy purplish blue	\$1 50	\$10 00
" Albus. Pure white	1 50	10 00
Sub-ceruleus. Large bluish-violet	1 50	10 00

Japanese Hardy Aster

Mauve Cushion. An entirely distinct species. It forms a circular cushion-like plant $2\frac{1}{2}$ feet across, rarely exceeding 9 inches in height, the flowers, of delicate, soft mauve, with silvery white reflection, measure over $1\frac{1}{4}$ inches in diameter, and are produced in such lavish profusion as to completely cover the plant; the blooms begin to expand early in October, but are not at their best until November. **\$2.00 per doz.; \$15.00 per 100.**

Japanese Double White Hardy Aster

A most desirable variety that came to us from Japan unnamed, and which is entirely distinct. The plants are of symmetrical habit, grow about 2 feet high, and bear from July to September double white flowers not unlike the double white Feverfew. **\$2.00 per doz.; \$15.00 per 100.**

Astilbe

This collection includes the best of the latest novelties, all are varieties of strong vigorous growth producing many branched feathered heads of flowers during June and July.

Betsy Cuperius. Stems 5 feet high with drooping branches 18 to 24 inches long, of white flowers with pink centres; very showy.

Ceres. An attractive rosy-lilac; 2½ to 3 feet.

Grandis Rosea Maxima. Grows 5 to 6 feet high, with 2-foot-long drooping branches of white flowers with rosy centres.

Grano. Light and graceful spikes of spreading habit, salmon pink; 4 feet.

Marguerite Van Rechteren. Finely fringed flowers, bright red tinged with dark lilac. 4 to 5 feet.

Salland. A vigorous growing variety with bronzy red stems and crimson-red flowers; 6 feet.
Strong plants, \$3.50 per doz.; \$25.00 per 100.

Repens Rosea	1 50	10 00

New Double-flowering Gypsophila**"Bristol Fairy"**

In this we have a wonderful advance over the old type, a plant not only of greater vigor, producing much larger panicles of flowers, in which the individual bloom is considerably larger, and of purer white color, but it also possesses the advantage of flowering more or less continuously throughout the summer, new branches of bloom appearing after the first flush of flowers has passed, if these are cut away when through blooming.

Strong 1 year old roots, \$3.50 per doz.; \$25.00 per 100.

Gypsophila Paniculata flore plena

Strong flowering roots of this desirable double-flowering form of Baby's Breath. \$3.50 per doz.; \$25.00 per 100.

Twelve Select Exhibition Varieties

The following varieties are the most magnificent newer acquisitions obtained up to the present time. Their colorings and form are superb, they represent the giants of the family both in size of individual flowers and habit of growth.

Ambassadeur. One of the finest. The stout stems bear flowers of largest size, magnificent form and unique coloring. Standards deep lavender suffused with bronze, falls maroon with purplish cast. \$3.50 per doz.; \$25.00 per 100.

Ann Page. A superb variety growing 4 feet high, with masses of clear lavender blue flowers, with well rounded petals. \$3.00 per doz.; \$20.00 per 100.

Cluny. A lovely very large flower, standards wistaria-blue, falls bluish violet with deeper shadings, very free. \$3.50 per doz.; \$25.00 per 100.

Lent A. Williamson. Exceptionally large flowers on tall strong stems. Standards bright lobelia-blue, shot fawn at the edge, falls rich velvety purple suffused blue at the edge, bright golden-yellow beard. \$3.00 per doz.; \$20.00 per 100.

Lord of June. One of the best, massive flowers of perfect form. Standards pale lavender-blue, falls deep aniline-blue. \$3.00 per doz.; \$20.00 per 100.

Magnifica. All that its name implies, flowers of immense size on stiff branching stems 4 feet high. Falls of a superb dark reddish-purple, standards light violet blue. \$3.50 per doz.; \$25.00 per 100.

Moliere. Standards light blue, overlaid brown, falls purplish maroon merging lighter at the edges, enormous size, of exquisite form and good substance. \$3.50 per doz.; \$25.00 per 100.

Opera. Very distinct fine shaped flowers, standards coppery brown, dashed with purple, falls wine red, the base bronzy maroon penciled with gold. 2 feet. \$3.50 per doz.; \$25.00 per 100.

Prospero. A very large blended two-tone violet with well rounded falls of a deep reddish-purple with lighter shadings at the margin. Exceptionally free, a showy variety. \$3.50 per doz.; \$25.00 per 100.

Queen Caterina. This superb variety is one of the handsomest of all Iris; a giant in size of flowers as well as in habit of growth; attaining a height of fully four feet. The color is an exquisite shade of pure lavender-blue; the color being uniform in both standards and falls. \$3.00 per doz.; \$20.00 per 100.

Iris Germanica

Raffet. Standards intense violet-blue, falls dark violet, reticulated with white and violet in the upper portion. 2 feet. \$3.50 per doz.; \$25.00 per 100.

Shekinah. A delightful shade of pale yellow, with amber shadings. A tall growing handsome conspicuous variety of very uncommon color. \$3.00 per doz.; \$20.00 per 100.

Iris Germanica—Twenty Choice Garden Varieties

We know of no class of hardy plants which will repay their owner with such a wealth of bloom, in so many varied colors or during a longer period than a well arranged planting selected from the list offered below. While not as aristocratic individually as the Exhibition varieties, they far surpass them in freedom of bloom and are well termed the Garden Varieties.

Alcazar. Standards soft bluish-violet overlaid bronze; falls dark nigrosin-violet with white markings at base of petals and bronzy-purple veins. It bears profusely flowers of mammoth size which are well poised on strong rigid stems; height 3 feet. \$1.50 per doz.; \$10.00 per 100.

Archeveque. Standards a rich shade of reddish purple, falls dark velvety purple, very free. \$1.50 per doz.; \$10.00 per 100.

Bridesmaid. Standards pale lavender; falls white, reticulated lavender. \$1.00 per doz.; \$7.00 per 100.

Edouard Michel. One of the finest; flowers of large size, beautifully poised on 3 feet high stems. The standards are broad and frilled, of a distinct shade of reddish-violet, the falls slightly deeper in color. \$1.50 per doz.; \$10.00 per 100.

Eldorado. Standards bronzy-violet, passing to a yellow with brown reticulation at base; falls light-violet purple, lip overlaid with bronze; base yellow with brown pencilings. Very free flowering; height 2½ feet. \$1.50 per doz.; \$10.00 per 100.

Florentina Alba. Very free flowering, white. \$1.00 per doz.; \$7.00 per 100.

Foster's Yellow. Standards and falls creamy yellow. \$1.00 per doz.; \$7.00 per 100.

Honorabilis. Standards golden yellow, falls rich mahogany brown. \$1.00 per doz.; \$7.00 per 100.

Isoline. Standards, vinaceous-lilac suffused with bronze; falls light purple overlaid with bronze; base of petals yellow with brown reticulations; golden yellow beard; height 2½ feet. \$1.50 per doz.; \$10.00 per 100.

La Tendresse. Standards as well as falls ageratum blue. \$1.00 per doz.; \$7.00 per 100.

Lohengrin. Foliage and flowers of gigantic size, with petals 2 inches wide, of deep violet mauve. \$1.50 per doz.; \$10.00 per 100.

Loreley. Perfect-shaped flowers, standards and falls of a deep ultra marine-blue, more or less veined with creamy-white and bordered sulphur-yellow, making a beautiful contrast. \$1.50 per doz.; \$10.00 per 100.

Mme. Chereau. Standards and falls pure white, daintily edged with light blue. \$1.00 per doz.; \$7.00 per 100.

Mithras. A striking variety with good sized flowers, standards pale yellow, falls violet shaded claret and yellow border. \$1.50 per doz.; \$10.00 per 100.

Nuec D'Orange. Standards greyish-lavender, falls lavender-violet with bronzy suffusion. \$1.00 per doz.; \$7.00 per 100.

Parisiana. Standards Chinese-violet shot with white at centre; falls white reticulated and spotted with Chinese-violet at edges; very free; height 30 inches. \$1.50 per doz.; \$10.00 per 100.

Princess Victoria Louise. Standards sulphur yellow. Falls rich plum, bordered cream. \$1.50 per doz.; \$10.00 per 100.

Queen of May. Pleasing soft rosy lilac. \$1.00 per doz.; \$7.00 per 100.

Rembrandt. Standards light lavender, falls deep lavender blue. \$1.00 per doz.; \$7.00 per 100.

Sherwin-Wright. Flowers most profusely, color a rich golden yellow without markings. The best and showiest yellow for mass planting. \$1.50 per doz.; \$10.00 per 100.

Iris Germanica Mixed Varieties. 60 cts. per doz.; \$4.00 per 100; \$30.00 per 1000.

Japanese Iris

Dreer's Imperial Japanese Iris

Six Superb Japanese Iris

We have selected the following six varieties from a long list of introductions as the most distinctive. With their rich, lustrous colors and their refined forms they rank high in this regal class of Oriental flowers.

Azure. Double immense flower, exquisitely waved; mauve-blue, darker halo surrounding yellow blotch at base of petals.

Bertha Hallock. Lower and upper petals nearly equal size. Bright, clear purple, with distinct rays and halo of white surrounding the golden throat, white standards tipped purple.

Chameleon. Vinous purple, speckled and splashed gray. Six petals.

Mount Hood. Double, light blue shaded darker, bright orange center.

Pres. Harding. Double or six petaled; heavy, thick-petaled flowers produced when all other Japanese Iris are out of bloom. Flowers very massive; fine light blue with darker shadings. We believe this one of the best Japanese Iris grown.

Templeton. Double light violet mottled reddish pink and white; of exceedingly fine form.

Price: 35 cts. each; \$3.50 per doz.; \$25.00 per 100.

Standard Collection Japanese Iris

3 Kosui-No-Iro. Double blue with pure white veins, yellow center; a striking variety of unusual strength.

4 Yomo-No-Umi. A fine double, pure white; creamy glow at the gold-banded center.

5 Koko-No-Iro. Six large, royal purple petals with a yellow center, radiating into lines. Most brilliant Iris.

17 Oyodo. Single. Broad, wavy petals of great size. Color dark rich blue, slightly veined. Yellow blotch is unusually bright.

26 Uchiu. Double claret-red, flamed white and blue. Compact, medium sized.

35 Shishi-Odori. Beautiful double deep purple overlaid with blue.

46 O-Torige. Six large petals aniline blue surrounded by a white halo.

54 Ho-O-Jo. Rich velvety crimson purple with six large rounded petals.

55 Schuchinkwa. Single. Self color. Reddish purple. Very large and fine blossoms.

60 Kagaribi. Silvery white traced and marbled ultramarine blue. Six petals.

69 Wari-Hotei. Rich royal purple with many white veins. Six petals.

112 Kamata. Light ground, suffused throughout with crimson purple. Six petals.

Price: \$2.50 per doz.; \$18.00 per 100; \$150.00 per 1000.

Two Superb New Iris Germanica

A beautiful combination of Royal Purple and Golden Yellow.

The two varieties here described, one a golden yellow, the other a rich velvety purple, flowering at the same time and when planted together form a brilliant rich color combination that is most effective and pleasing.

Gold Imperial. The best and most vigorous growing free-flowering golden yellow Iris. Rich smooth chrome yellow of fine form and texture with a brilliant orange beard. It has been one of the most admired of the newer Iris on account of its perfect form and unusually deep color. \$7.50 per doz.; \$60.00 per 100.

Souy. de Mme. Gaudichan. The largest, darkest and by far the finest of the dark purple Irises. The falls are brilliant velvety blackish purple, even the beard has a bluish cast which enhances the beauty of the flower. In addition to its other attractions it is also very fragrant. \$5.00 per doz.; \$40.00 per 100.

Iris Interregna

An interesting type, the result of crossing **I. Germanica** with **I. pumila hybrida**. They bloom earlier than the Germanica Iris. The flower stems are almost 18 inches high, holding the flowers well above the foliage.

Fritiof. Standards light lavender-blue, falls satiny violet-blue.

Helge. Standards creamy yellow, falls darker, veined yellow.

Spectabilis. Rich, free-flowering violet-purple. 15 cts. each; \$1.50 per doz.; \$10.00 per 100.

Iris Pumila Hybrida

Among the earliest flowering and very showy, growing from 10 to 12 inches high.

Cyanea. Rich royal purple, with blackish shadings.

Floribunda. Creamy yellow.

Schneekuppe. Pure white.

\$1.50 per doz.; \$10.00 per 100.

Iris Pallida Dalmatica Princess Beatrice

This is the true type of Pallida Dalmatica and still one of the most attractive and satisfactory all-around varieties, with flowers of large size, both standards and falls of a clear lavender-blue shading to a pale silvery-blue at the base and sweetly scented. It is of strong vigorous growth over three feet high with unusually heavy glaucous foliage.

\$2.00 per doz.; \$15.00 per 100.

Iris Sibirica Perry's Blue

A comparatively new variety with very large, clear blue flowers on stout stiff stems, a vigorous free grower and very free flowering. One of the best for cutting. 35 cts. each; \$3.50 per doz.

Double Herbaceous Peony

Double Herbaceous Peonies (Strong Divisions 3 to 5 Eyes)

Albert Crousse. Very large rosy-white, flecked crimson, tall erect habit, free bloomer. One of the best cut flower varieties. \$5.00 per doz.; \$40.00 per 100.

Avalanche. A valuable mid-season variety, with very large creamy-white flowers of superb form. \$5.00 per doz.; \$40.00 per 100.

Baroness Schroeder. Very large globular flowers, flesh-white passing to milk-white. A strong tall grower, very free flowering and very fragrant; one of the finest Peonies grown. \$5.00 per doz.; \$40.00 per 100.

Duchesse de Nemours. An extra early, cup-shaped free-flowering fragrant sulphur-white. \$3.50 per doz.; \$25.00 per 100.

Edulis Superba. The famous Memorial Day Peony, it usually can be depended upon to be in flower at that time in this latitude, color a beautiful clear pink with silvery reflex, large fragrant flowers. \$3.50 per doz.; \$25.00 per 100.

Felix Crousse. Its large globular flowers, solid and compactly built, are of a rich brilliant dazzling ruby-red, exceptionally fiery bright and effective. \$5.00 per doz.; \$40.00 per 100.

Festiva Maxima. The most popular of all the whites, a tall vigorous grower and free and early bloomer; color pure white flecked with crimson at centre. \$3.50 per doz.; \$25.00 per 100.

Germaine Bigot. A mid-season variety of large flat form; color pale lilac-rose, centre prominently flecked crimson; flowers borne very freely in clusters on stout stems. \$5.00 per doz.; \$40.00 per 100.

Karl Rosenfield. Very large globular dark crimson flowers, brilliant and striking; a strong but compact grower. \$7.50 per doz.; \$60.00 per 100.

Livingstone. Very large double flowers of a soft lilac-rose with silver tips; central petals flaked carmine. An extra choice late variety. \$5.00 per doz.; \$40.00 per 100.

Marguerite Gerard. Strong tall erect grower with large full double globular flowers of a delicate tinted lilac white. \$3.50 per doz.; \$25.00 per 100.

Marie Jacquin. A distinct and beautiful variety. Very large, globular, semi-double flowers with wide incurving petals showing an open centre which is filled with yellow stamens like a water-lily, color rose-white passing to a delicate lilac-white. \$5.00 per doz.; \$40.00 per 100.

Repens Flore Plena	1 50	10 00
Acris Flore Plena	1 50	10 00

Romneya Coulteri

(California Tree or Matilija Poppy)

This beautiful Poppy, while hardy as far north as Philadelphia, should be planted in a well-drained sunny position. It grows from 4 to 5 feet high and frequently has from 6 to 8 expanded flowers on a single shoot at one time. The flowers are white, 5 inches or more in diameter, delicate and transparent, yet enduring in a good state for several days, delightfully fragrant, \$1.00 each.

Mme. Auguste Dessert. Very compact high crowned flower of a beautiful rose pink color, flecked with crimson. \$10.00 per doz.; \$75.00 per 100.

Mme. Ducl. Very perfect globular flower of a bright silvery pink with salmon shadings and silvery reflex. \$6.50 per doz.; \$50.00 per 100.

Mme. Emile Galle. Large cup-shaped double flowers of a delicate shell-pink with touches of heliotrope and lavender, an exquisitely beautiful variety. \$5.00 per doz.; \$40.00 per 100.

Meissonier. Wonderfully rich and brilliant crimson, with full double flowers, on stiff wiry stems. A splendid cut flower. \$3.50 per doz.; \$25.00 per 100.

Mons. Jules Elie. Probably the largest flowered; color pale lilac-rose with silvery reflex. \$6.50 per doz.; \$50.00 per 100.

President Roosevelt. Very large globular flowers on tall erect stems. One of the most striking of the dark crimson varieties. \$6.50 per doz.; \$50.00 per 100.

Sarah Bernhardt. One of the strongest growing varieties, flowers of remarkable size, full and double of unusual perfection of form. Color a beautiful mauve-rose with silver tips. \$10.00 per doz.; \$75.00 per 100.

Venus. White with pretty flesh shadings. Flowers of immense size with high chalice shaped center. \$5.00 per doz.; \$40.00 per 100.

Old-fashioned Double Red Peony

(Peony Officinalis Rubra)

This is the oldest and still one of the most popular sorts. It is the earliest to bloom producing freely brilliant, glowing deep crimson double flowers. \$5.00 per doz.

Double Peonies in Mixture

Double Pink	
Double Red	\$2.50 per doz.; \$18.00 per 100.
Double White	
Double—All Colors Mixed,	
	\$1.50 per doz.; \$12.00 per 100.

Hardy Perennial Phloxes Strong one-year field-grown plants

Albion (Medium). Pure white with just a faint red tinted eye.

Aldenharn Triumph (Medium). An attractive shade of silver pink with cherry red eye. \$1.75 per doz.; \$12.00 per 100; \$100.00 per 1000.

Antonin Mercie (Medium). Light ground color prettily suffused bluish lilac.

B. Comte (Medium). Brilliant rich French purple.

Bridesmaid (Tall). Pure white with crimson carmine center.

Champs Elysee (Dwarf). A very bright rosy-magenta.

Eclairer (Tall). Brilliant rosy magenta, with large lighter halo.

Enchantress (Medium). A vigorous growing pretty salmon pink. \$1.50 per doz.; \$10.00 per 100; \$90.00 per 1000.

Europa (Medium). A pure white with a very decided crimson carmine eye, large flowers on good, compact trusses, very distinct.

Firebrand (Medium). Bright vermilion-scarlet, with deeper centre, large, strong trusses. \$1.50 per doz.; \$10.00 per 100; \$90.00 per 1000.

Flora J. Riedy (Medium). A new pure white of sturdy upright growth, free branching habit and enormous panicles of bloom, and heavy exceptionally dark green foliage.

Jacqueline Maille (Medium). An exceptionally large pure white individual flower almost the size of a silver dollar.

Jeanne d'Arc (Tall). A good standard late white.

Jules Sandeau (Dwarf). Large, fine very free flowering deep salmon pink. \$1.50 per doz.; \$10.00 per 100; \$90.00 per 1000.

La Vague (Medium). Pure mauve, aniline-red eye.

L'Esperance (Tall). Light lavender-pink with white centre.

Mia Ruys (Medium). Of dwarf but very robust habit, about 18 inches high, much branched, enormous trusses of very large flowers of purest white.

Miss Ethel Pritchard (Dwarf). A delightful French mauve very similar in color to our native Phlox Divaricata Canadensis. \$1.75 per doz.; \$12.00 per 100; \$100.00 per 1000.

Mrs. Jenkins (Tall). The best tall early white for massing.

Mrs. Milly van Hoboken (Medium). A gem with very large trusses of large flowers, of a bright, peach-pink with soft mauve suffusion. \$1.50 per doz.; \$10.00 per 100; \$90.00 per 1000.

New Bird (Dwarf). Deep crimson-red, almost vermilion, and purple eye. The flower heads are carried well above the foliage in well branched spikes. A very brilliant and excellent variety, one of the best of this color. \$1.75 per doz.; \$12.00 per 100; \$100.00 per 1000.

Pacha (Medium). Deep pink with red suffusion, carmine eye.

Painted Lady (Tall). This delicate colored sort is one of the most pleasing in our entire collection. Strong upright growth and large masses of flower heads. Silver pink, with salmon shadings and cherry red eye. \$1.75 per doz.; \$12.00 per 100; \$100.00 per 1000.

Pastel Pink (Tall). Tall growing silvery pink with salmon shadings. \$1.75 per doz.; \$12.00 per 100; \$100.00 per 1000.

Hardy Phlox

Professor Virchow (Medium). Bright carmine overlaid with brilliant orange-scarlet. \$1.50 per doz.; \$10.00 per 100; \$90.00 per 1000.

Professor Went (Dwarf). One of the finest dark colored varieties, with large flower heads of rich satiny amaranth. A superb color when planted in connection with white or light colored flowers. \$1.75 per doz.; \$12.00 per 100; \$100.00 per 1000.

R. P. Struthers (Tall). Bright rosy-carmine with claret-red eye.

Rhineland (Medium). A most beautiful salmon-pink.

Riverton Jewel (Medium). One of our own introductions. A lovely mauve-rose illuminated by a brilliant carmine-red eye.

Rynstrom (Medium). Fine for massing, of a Paul Neyron Rose color.

Thor (Medium). A most beautiful and lively shade of deep salmon-pink suffused and overlaid with a scarlet glow.

Vesuvius (Dwarf). Bright rich carmine with salmon suffusion, blood-red eye.

Von Hindenberg (Medium). Rich deep crimson red with deeper eye. \$1.50 per doz.; \$10.00 per 100; \$90.00 per 1000.

Wala (Dwarf). The largest flowered, very dwarf white.

Widar (Dwarf). Light reddish violet with large white center, very distinct.

Price, except where noted, \$1.00 per doz.; \$7.00 per 100; \$60.00 per 1000.

New Viola Jersey Gem

New Viola "Jersey Gem"

Undoubtedly the most valuable bedding Viola yet introduced which is perfectly suited to our climatic conditions and which will succeed in any good garden soil in a sunny position, blooming practically without a break from May to the end of the season. The plant is of compact, sturdy habit of growth, its flowers of pure violet without the slightest shading and borne on good stems about 6 inches long makes it a good subject for cutting, and a splendid substitute for single violets, as well as a most desirable plant for the border.

Jersey Gem. Pure violet blue.
White Jersey Gem. Pure white.
Price. Either of above varieties \$1.75 per doz.; \$12.00 per 100.

Dreer's Roses

Dormant Stock for Delivery Winter of 1930-31

The greater part of our Roses are grown in conjunction with Messrs. Howard & Smith, Los Angeles, California. The plants this season we believe will be the best we have ever sent out. This season's stock is again growing on new maiden land in a location particularly favored by climatic conditions to produce the best stock.

This Year's New Hybrid-Tea Roses

Novelties of 1929 and 1930

Introductions of The Rose World's Most Noted Specialists

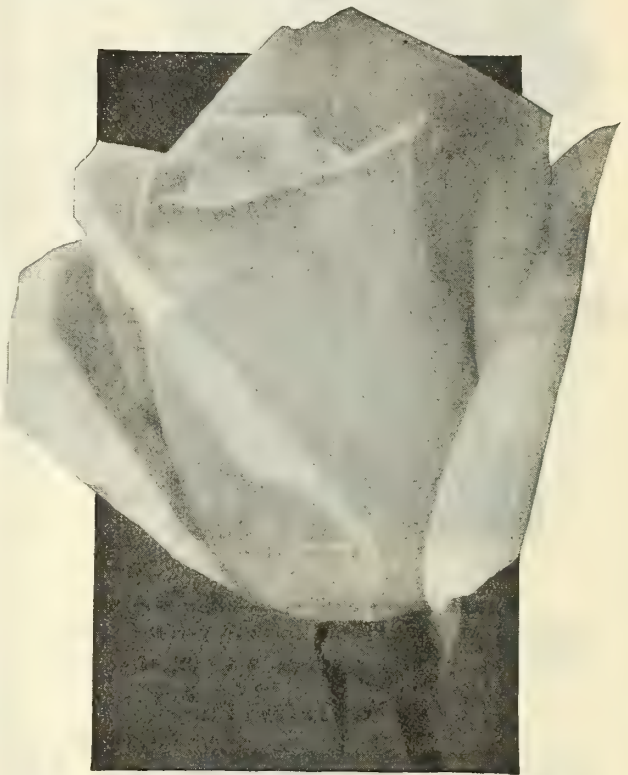

Many of the varieties offered here are controlled by us exclusively this season.

Abol (F. Evans, 1927). An exceptionally vigorous growing, very free-flowering, new white. No other white variety, and for that matter, very few colored varieties, have such a delightful sweet perfume as this novelty. In the bud stage and before the flowers are fully expanded, the centre petals are sometimes tinted with pink on the edges of the petals, passing to pure white as the flowers develop. A good shapely bud and full, double, well formed flower produced very freely on long upright stems with very few thorns. **\$75.00 per 100**

Betty Suttor (McGredy & Son, 1929). Exquisite both in bud and fully developed flower, a great advance over the old favorite Mme. Abel Chatenay, long shapely bud and moderately large full double high centered flower of tea perfume. In color the inside of the petals are of delicate rosy pink, the outside a bright rosy pink. As the flower opens there is a delightful reflecting of the petals which enhance the beauty of the pink tones by bringing each into bolder relief. Strong vigorous healthy growth and very free. **\$75.00 per 100.**

Caledonia (Dobbie & Co., 1928). Large, very long pointed conical buds with the edges of the outer petals gracefully rolled back; flowers very large and full double, high centre, slightly fragrant and borne singly on long strong stems. Color, when first expanding, slightly lemon tinted, changing to a pure white as the flowers develop. Habit very erect, of vigorous constitution, dark green disease-resistant foliage, and a continuous free bloomer; a fine garden Rose. Awarded Gold Medal Scottish Rose Society and Certificate of Merit National Rose Society of England. **\$75.00 per 100.**

Charles P. Kilham (Beckwith & Sons, 1926). A brilliant distinct and striking novelty which we know will appeal to and please every Rose lover. The buds are long pointed of perfect shape, opening to high centered perfectly formed full double flowers of a rich and brilliant Oriental red, flushed with orange and glowing scarlet. A vigorous grower; very free flowering and sweetly tea-scented. Awarded Gold Medal National Rose Society of England. Spring, 1927. **\$75.00 per 100.**

New Hybrid-Tea Rose, Caledonia

New Hybrid-Tea Rose, Charles P. Kilham

Dainty Bess (Archer, 1925). An appropriate name for a daintily colored and well formed single flower, 3½ inches in diameter composed of delicately crinkled and wavy petals of a pleasing shade of shell pink with a conspicuous bunch of crimson stamens. The flowers last well when cut and are charming when displayed in individual vases. A strong, vigorous grower and profuse flowering, the flowers being produced on strong branching stems. Awarded the Gold Medal of the National Rose Society of England in 1925. **\$75.00 per 100.**

Dorina Neave (Pemberton, 1926). A meritorious bedding Rose of a delightful silvery pink with large, full, pointed, globular, fragrant flowers carried erect on stiff stems. Plant of strong, bushy, compact habit. **\$75.00 per 100**

Dr. Andrew Carnegie (Ferguson, 1927). A sport from the well known Mrs. Henry Morse, identical in every way except in color, which is of a light silvery pink with deeper reflex, yellowish at base. A strong vigorous grower and very free. **\$75.00 per 100.**

Dr. Edward Deacon (Morse & Son, 1926). A variety that will charm every lover of a real good Rose. Its color is fascinating, the margin of the petals being a delicate tint of shrimp pink gradually merging to a deep salmon-orange towards the base of the artistically reflexed petals, forming a fine, very full flower, that has good lasting qualities. The habit of the plant is ideal, upright, strong and free flowering, with very healthy foliage. **\$75.00 per 100.**

Duchess of Athol (Dobbie & Co., 1928). The coloring of this new variety is uncommon and delightful, an old golden-orange flushed with peach pink, particularly attractive in the bud and open state, growth vigorous, a free and continuous profuse bloomer. Awarded Certificate of Merit of the National Rose Society of England. **\$75.00 per 100.**

We Make No Charge for Boxes or Packing

This Year's New Hybrid-Tea Roses—Continued

Introductions of the Rose World's Most Noted Specialists

Edith Nellie Perkins (Alex. Dickson & Sons, 1928). Entirely distinct in coloring and of such strong robust growth that it should succeed anywhere and produce an abundance of its pretty colored flowers. The buds are long and pointed, the outside of the petals are of cream and blush shaded with orange at the base, the inner face is salmon-pink with golden-orange base; the flowers are moderately double, produced on long stems and sweetly scented. **\$75.00 per 100.**

E. G. Hill (E. G. Hill Co., 1929). Among the many Roses raised by Mr. Hill we consider this new red variety one of the most valuable. While it has gained great popularity as a winter cut flower, it appears equally good for garden purposes, the long buds of perfect form, as well as the high centered full double flowers are of a dazzling scarlet, shading to a deeper pure red as they develop; of strong vigorous and free flowering habit. **\$75.00 per 100.**

Elizabeth of York (Dobbie & Co., 1927). Beautifully formed long pointed buds of a glowing cerise-red with yellow suffusion at the base; the petals as they unfold spread widely with a splendid reflex ultimately showing the stamens. An artistic, dainty, delicately colored flower. **\$50.00 per 100.**

Emily Dodd (Alex. Dickson & Sons, 1927). Very large ovoid bud opening to a very large, full double, high centered, very lasting, slightly fragrant flower of a milky white shaded cream in centre. These are borne singly on strong stems; foliage large, rich green, leathery and disease resistant; growth vigorous upright, bushy, of compact habit, a profuse bloomer from June to October; very hardy. **\$75.00 per 100.**

Everest (Easlea & Sons, 1927). One of the largest Roses yet raised, buds large, perfectly shaped, flowers of immense size with long broad petals of firm texture, fragrant ivory-white with creamy suffusion and when fully developed resembles a large Peony borne on long stems. While awarded a Gold Medal by the National Rose Society of England in 1927 as a Hybrid-Tea, it has the characteristics of a vigorous growing Hybrid-Perpetual. **\$50.00 per 100.**

Flamingo (Alex. Dickson & Sons, 1929). Very highly recommended by the introducers and awarded the Gold Medal of the National Rose Society of England. Very pretty in bud form; these are long pointed of spiral form but open out quickly to semi-double sweet-scented flowers. Color bright geranium red passing to glowing rosy cerise as the flowers open. A strong, vigorous grower, free and perpetual flowering. **\$75.00 per 100.**

New Hybrid-Tea Rose, Impress

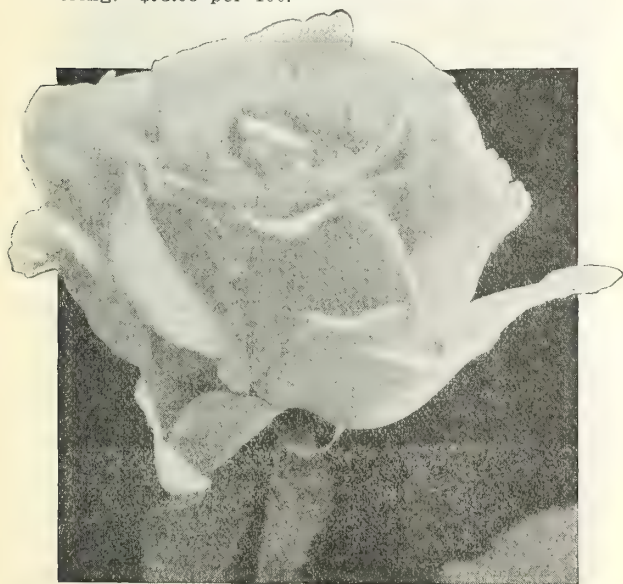

Gaiety (E. G. Hill Co., 1926). Buds long and pointed, developing to a large shapely semi-double, cupped, very lasting flower composed of ruffled petals which as they unfold show various shades of orange, Indian red, yellow, and pink or fawn. The plant is of strong, vigorous branching habit, with good healthy foliage and very free flowering. **\$75.00 per 100.**

Gladys Benskin (Alex. Dickson & Sons, 1929). Large long pointed buds and high centered full flowers well built, with heavy, broad, slightly serrated petals. Color very distinct, the reverse of the petals salmon cerise over golden yellow, with deep yellow veining, inside bright rose cerise shaded orange, with deeper orange shaded base and very rich fruity fragrance. Vigorous, hardy, free branching upright habit, very free and perpetual flowering. A most distinct, striking and unique novelty that will be greatly admired. Awarded Certificate of Merit National Rose Society of England. **\$75.00 per 100.**

Golden Dawn (P. Grant, 1929). A magnificent new Rose of Australian origin with which we have been most favorably impressed in our trials during the past three years and in which we believe we have an ideal garden Rose of great merit of an exquisite light lemon yellow color. Its buds are of an ovoid form, heavily splashed with crimson before opening and develop into splendidly shaped full double moderately fragrant flowers which are of a uniform color, reminding one of the old favorite Marechal Niel and which was suggestive of the name Golden Dawn. The plant is of strong, vigorous upright branching habit, with large glossy healthy green foliage, very free flowering with usually three or more flowers on each branch. **\$50.00 per 100.**

Gruss an Coburg (Felberg, Leclerc, 1927). A promising new variety with brilliant coppery orange red buds and large double, full, very fragrant flowers, of a brilliant combination of fawn, golden yellow and coppery red. A strong healthy grower and a perpetual bloomer. **\$50.00 per 100.**

Heinrich Eggers (W. Kordes, 1928). Well shaped long spiral buds and large bold full double high centered flowers of perfect shape. Color an orange tinted pink with yellow shadings at base. Very strong free flowering habit. **\$125.00 per 100.**

Golden Dawn, the New Australian Hybrid-Tea

This Year's New Hybrid-Tea Roses—Continued

Introductions of the Rose World's Most Noted Specialists

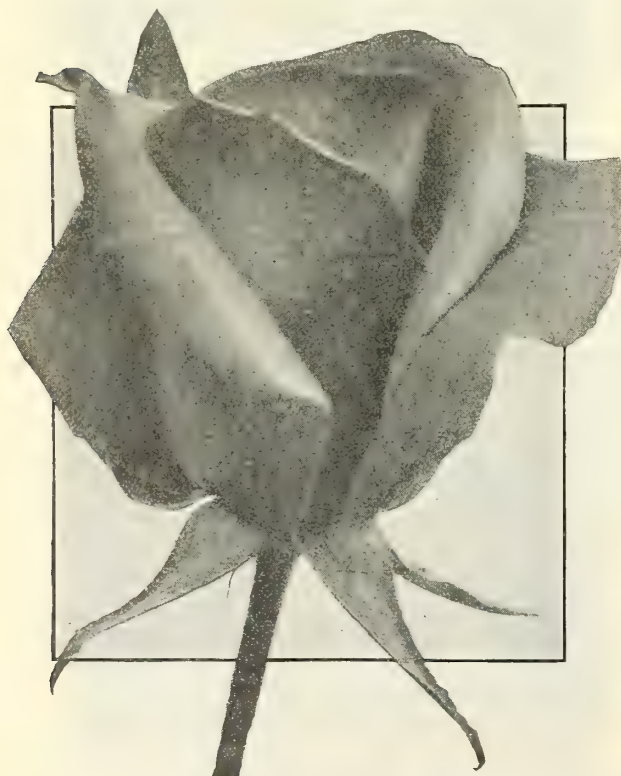

Hilda (Cant & Son, 1928). Large globular bud and very large extremely double, very lasting, slightly fragrant flowers of a bright carmine, the inner petals shading to light pink, usually borne several together on long stems. Growth very vigorous, upright and bushy with good healthy foliage; a splendid continuous and profuse bloomer. Award of Merit Royal Horticultural Society of England. \$75.00 per 100.

Hon. Violet Douglas Pennant (Bees, 1927). Long pointed, shapely bud, flowers moderately tea scented, lemon-yellow at base, passing to cream at edges suffused rose madder, general effect, a pleasing blending of cream and rose madder, borne on long stems. Habit good with dark green healthy foliage. \$75.00 per 100.

Impress (Alex. Dickson & Sons, 1930). A novelty which on account of its coloring and its perfectly formed large double flower, will please every Rose lover. The ovoid buds when first unfolding are cardinal-red with orange suffusion and develop into very large, full double very perfect blooms that last in good shape and which are of a pretty salmon-cerise color suffused with a luminous golden sheen. The plant is a strong vigorous upright grower and exceptionally free flowering. \$75.00 per 100.

Ivy May (Beckwith & Son, 1925). One of the most attractive varieties of Ophelia type. Color a pretty rose pink running to amber at the base, flushed with gold on the outside and at the edges of the petals; glowing and sparkling. Buds of medium size, long pointed and shapely, opening to fairly double, well-formed, sweetly-scented flowers on long strong stems. Habit vigorous and upright; a very free and continuous bloomer. A splendid garden Rose and a beautiful cut-flower. Awarded Certificate of Merit of the National Rose Society of England. \$75.00 per 100.

I. Zingari (J. H. Pemberton, 1925). The most vivid shade of orange scarlet that one can picture, rich and glowing; while the flowers are only semi-double it always attracts attention on account of its rich color and is worthy of a place in every garden. It blooms profusely and continuously, usually in sprays of several blooms; the glossy dark green foliage accentuates its vivid color. \$75.00 per 100.

New Hybrid-Tea Rose, James Gibson

New Hybrid-Tea Rose, J. C. Thornton

James Gibson (McGredy & Son, 1928). A glorious glowing crimson-scarlet with velvety sheen, imparting a lustrous radiance to the large, full, beautifully formed flowers of which every bloom develops to perfection. Its habit of growth is as near perfect as could be desired, being free, bushy, upright and vigorous and the flowers which are borne profusely all the season, are carried erect on long stems with good disease resistant foliage. A brilliant Rose of exceptional beauty. \$75.00 per 100.

Jarvisbrook (Stuart Low, 1928). A splendid large full flower of a most dainty and effective color combination, carmine with orange reverse to petal. It is sweetly scented, of vigorous, upright, branching, healthy habit of growth and remarkably free flowering throughout the season. A meritorious Rose in every respect. \$75.00 per 100.

J. C. Thornton (Bees, 1926). A most brilliant bright glowing scarlet crimson with buds of exquisite form and fine, full, well-shaped high-centered flowers of great substance, borne singly on long strong stems; of vigorous, free, growth. It may prove to be our best red bedding variety. A Gold Medal Rose of great importance. \$75.00 per 100.

Joan Cant (Cant, 1929). Reminds in form of the old favorite Abel Chatenay. Buds very large, long pointed, opening to very large, full double, well-formed, long lasting, intensely fragrant flowers of a pretty shade of salmon pink at the centre, shading brighter on the outside of the petals; the flowers are borne several together on long strong stems. Growth vigorous, large light green, disease-resistant leathery foliage. A strong vigorous bushy grower, a profuse continuous bloomer and very hardy. \$125.00 per 100.

Joanna Hill (J. H. Hill Co., 1928). This new yellow has gained a well merited reputation as a winter cut flower and from our observations during the summer of 1929 we believe it will prove equally valuable and meritorious for the garden. The buds are large, long pointed and open to large, full, semi-double, attractive, long lasting, moderately fragrant flowers of a clear yellow with orange yellow heart. They are borne singly on long strong stems; growth vigorous, upright, a profuse bloomer. \$75.00 per 100.

This Year's New Hybrid-Tea Roses—Continued

Introductions of the Rose World's Most Noted Specialists

Jules Gaujard (Pernet-Ducher, 1928). Distinct and beautiful, the large, well-formed double flowers on first opening are of a glistening cochineal crimson which, as they fully develop, pass to a pretty shade of orange-rose. It is of strong, vigorous, branching habit, very free flowering and a variety that we are convinced will become a greatly admired garden Rose. \$60.00 per 100.

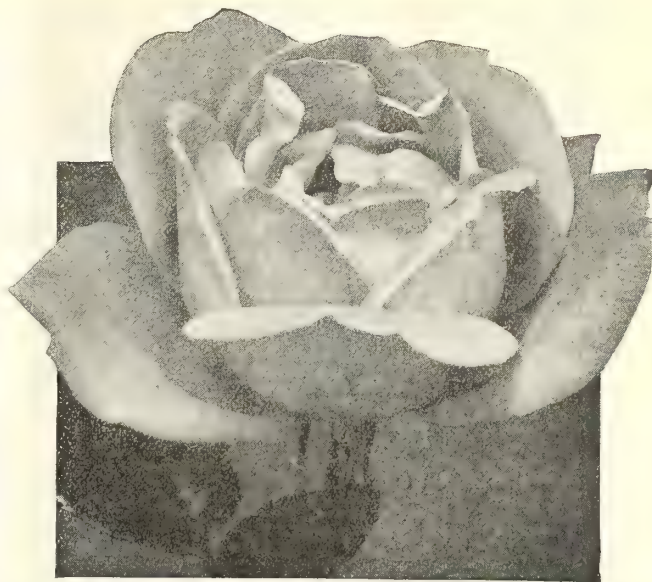

Königin Luise (Queen Luise) (Weigand, 1927). An exceptionally large, full double, globular, well built double white flower that lasts a long time. Of strong vigorous habit of growth with good healthy foliage. The flowers are carried erect on strong stiff stems. A splendid Rose for the garden and for cutting. \$75.00 per 100.

Lady Barnby (Alex. Dickson & Sons, 1930). Beautifully formed flowers very much on the type of Mrs. Henry Bowles, a variety that is a favorite with us, it being one of our most reliable bedding varieties, but Lady Barnby differs in color, it being a lovely shade of clear rose pink. The plant is of excellent habit, strong vigorous growth and very free flowering and sweetly scented. \$75.00 per 100.

Lady Forteviot (B. R. Cant, 1928). A garden Rose that we confidently recommend. Large ovoid buds opening to very large, moderately double artistic well lasting flowers of delightful fruity fragrance of a bright golden yellow flushed with cardinal red, borne several together on long strong stems. Growth vigorous, healthy dark green glossy foliage, a hardy continuous bloomer. Awarded Gold Medal of National Rose Society of England. \$75.00 per 100.

Lady Leslie (McGredy, 1929). Some modern critics lament the absence of fragrance at the expense of vivid colors, but in the beautifully formed good sized flowers of Lady Leslie we have a combination of sweetest fragrance and brilliancy in coloring. In the early stages the flowers are rosy scarlet which, as they develop, passes to a scarlet-carmine suffused with saffron yellow on a yellow base, a warm glowing color combination particularly in the young state. The plant is of ideal bedding type with free upright bushy growth and healthy dark green foliage. Awarded Certificate of Merit National Rose Society of England. \$75.00 per 100.

Lady Mary Elizabeth (Alex. Dickson, 1927). A variety of outstanding merit. Of strong, vigorous, upright, branching habit with good healthy foliage and very prolific flowering. Flowers delightfully fragrant. Long pointed buds with deep substantial petals in color a brilliant carmine-pink. \$50.00 per 100.

New Hybrid-Tea Rose, Lady Forteviot

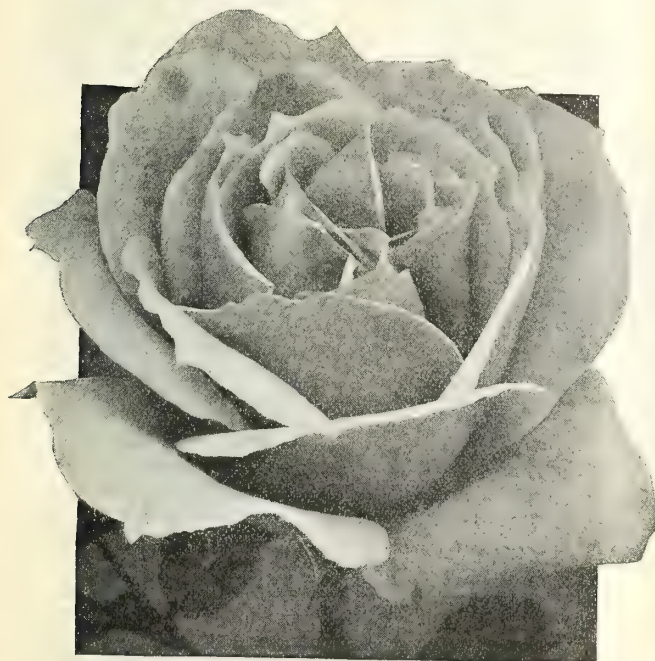

Lord Rossmore (Dr. J. Campbell Hall, 1928). Globular blooms of great size and of good substance. The outer reflexing petals are creamy yellow and the central mass of petals is variously tinted with salmon blush, flesh or pink and of delicate tea scent. The growth is very strong and free with good foliage. Awarded Gold Medal National Rose Society of England. \$125.00 per 100.

Lucie Marie (Alex. Dickson & Sons, 1930). Very long pointed buds, deep yellow splashed with red. As the outer petals unfold, the inner face is yellow with coppery venation with the tips of the petals lightly tipped with pink, slightly fragrant. It is of strong vigorous healthy habit of growth with dark-leathery foliage. A most distinct and interesting bedding variety. Awarded Certificate of Merit National Rose Society of England. \$75.00 per 100.

Marion Cran (McGredy, 1927). The color combination is the most wonderful we have yet seen in any Rose. In the young stage before the flowers expand the color is deep buttercup-yellow, margined and flushed cerise and rosy-scarlet. As the flower opens the outside of the petals retain their color, while the inner side opens a brilliant geranium scarlet flushed and veined orange and yellow; as the flowers age the color changes to a deep cerise on bright rosy-scarlet flushed buttercup-yellow. The whole flower glows and has a wonderful sheen and when fully open the color combination is delightful. The flowers are full, of nice form, and medium to fairly large in size. The habit is bushy, free, and upright making a magnificent bush; one of the freest and most perpetual flowering garden and bedding Roses. \$50.00 per 100.

May Wettern (Alex. Dickson, 1928). A magnificently formed bud and flower of moderate fullness and artistic coloring. The flowers are composed of immense, deep, wide petals of very solid texture, their formation making a beautifully built long bud and high pointed flower, in which the inner face of the petals evolves from a bright salmon pink in the bud to deep flesh pink; then to bright pink in the more developed flower; the outer side passes from deep rose to rosy pink and finally to bright rose, the blending of these tones creating a wonderful color harmony.

In growth, it is upright and free, throwing many base and side shoots which produce long-stemmed flowers quickly and freely. Very sweet scented. Gold Medal National Rose Society, England. \$50.00 per 100.

New Hybrid-Tea Rose, Lady Barnby

This Year's New Hybrid-Tea Roses—Continued

Introductions of the Rose World's Most Noted Specialists

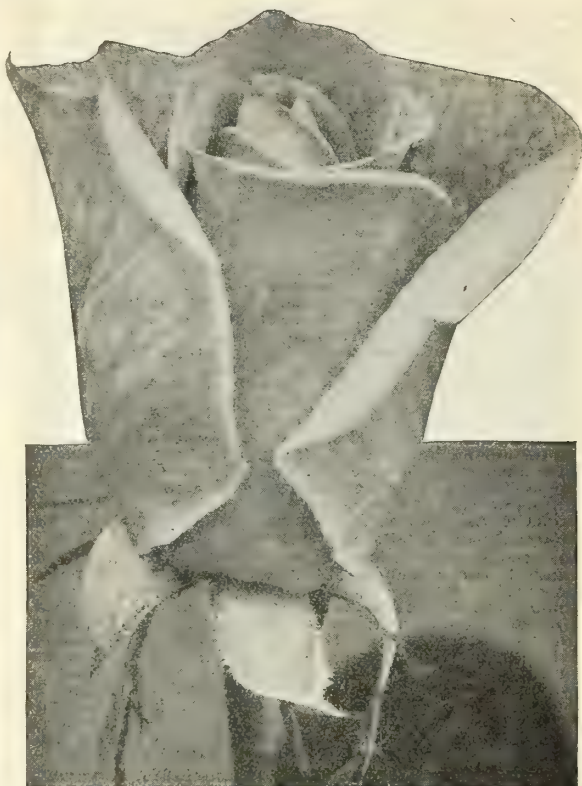

McGredy's Scarlet (McGredy, 1930). Messrs. McGredy say of this Rose "We have never seen anything approaching this Rose in color, a rich brilliant scarlet, so velvety that one can almost see the pile. The base is orange, and the upper portions of the petals are lightly washed deep crimson which enhances the whole flower. The habit of growth is free, vigorous and upright with large dark green mildew-proof foliage. The stems are strong carrying the flowers erect, free and continuous flowering." A brilliant Rose for the Garden and for cutting. Awarded First Class Certificate National Rose Society of England. \$75.00 per 100.

Mevrouw G. A. Van Rossem (Van Rossem, 1926). A marvelously beautiful Rose with a unique color combination not found in any other variety, a most striking blending of dark vivid orange and apricot on a golden yellow ground with frequently touches of bronze on the reverse of the petals. The sweet-scented flowers are very large, of perfect formation both in the bud as well as in the fully developed flower and are produced very freely on vigorous upright growths. Gold Medal at The Hague and Certificate of Merit with Congratulatory of the Jury of the Royal Dutch Horticultural Society. \$75.00 per 100.

Miss Rowena Thom (Howard & Smith, 1928). In vigorous habit of growth, freedom of bloom and in its adaptability to varied climatic conditions, this will prove equal to the popular Radiance Roses, while its flowers in size and form are equal to the best high-class varieties of recent introduction and all of which it will outclass in freedom of flowering. Its buds are long and shapely, opening to perfect double flowers frequently 5 inches across of a brilliant rose-pink, the base of the petals having a golden suffusion which as the fragrant flowers unfold, adds to the brilliancy of its coloring. \$50.00 per 100.

Mme. Henri Queuille (Pernet-Ducher, 1929). This splendid Rose in the formation of its large, full flowers, strong, vigorous, healthy growth and freedom of flowering reminds one of the same raiser's popular bedding variety, Souvenir de Georges Pernet, excepting in color which is much lighter, being a pretty shrimp or coral pink on an orange-copper base. \$50.00 per 100.

Monarch (Dobbie, 1926). Very large long pointed bud developing into large double high centered flowers, very lasting, of a rich silvery pink color, borne singly on long stout stems. A strong vigorous grower and an abundant continuous bloomer; very hardy. \$75.00 per 100.

New Hybrid-Tea Rose, Lucie Marie

Mrs. Erskine Pembroke Thom (Howard & Smith, 1926). We are convinced that this is the best yellow bedding Rose we have to-day. It is of clean healthy vigorous growth with abundant dark bronzy disease-resisting foliage and a continuous free bloomer throughout the season. The medium sized buds are long and shapely and develop into good sized full double flowers of a rich deep lemon yellow, sweetly scented. \$40.00 per 100.

Mrs. Herbert Dowsett (Easlea, 1928). Originated as a sport from Los Angeles, large ovoid bud, large full double very lasting, well shaped, moderately fragrant flower. In color it is several shades deeper than its popular parent. Growth vigorous, bushy habit and a continuous bloomer. \$125.00 per 100.

Mrs. John Bell (John Bell, 1928). A Rose of exceptional merit, of a most attractive vivid shade of cochineal carmine, with large long pointed shapely buds and very large full double cupped shapely fragrant flowers borne singly on good stems. Growth moderate, bushy habit with disease resistant foliage and a profuse bloomer. A variety that is certain to become popular and which will displace all others of a similar shade of color. Awarded Gold Medal of Scottish Rose Society. \$75.00 per 100.

Night (McGredy & Son, 1930). Unquestionably the darkest crimson Rose so far raised. We quote from the English National Rose Society's Annual "An extraordinary Rose most certainly the nearest approach to a black Rose we have. Its color is perhaps best described as a black shaded maroon. It quite eclipses the old Hybrid Perpetual Prince Camille de Rohan, hitherto our darkest Rose." Messrs. McGredy describe it as a blackish crimson. The flowers are of medium size, full and of perfect form and sweetly scented and freely and continuously produced. \$125.00 per 100.

Miss Rowena Thom,
New Hybrid-Tea Rose,
A valuable bedding
variety.

This Year's New Hybrid-Tea Roses—Continued

Introductions of the Rose World's Most Noted Specialists

Mrs. Sam McGredy (McGredy, 1929). The following is an extract of Messrs. McGredy's description of this beautiful new variety: "The color is quite distinct from anything yet seen in Roses, a wonderful dual combination of vivid shades. A beautiful scarlet coppery-orange is heavily flushed with Lincoln-red on the outside of the petals, and these colors together give a rich and almost dazzling effect. The flowers are of large size and beautiful form, and they possess the proper fullness to make them useful for all purposes. They are very freely produced and delicately perfumed. The plant has a vigorous and exceptionally free habit and is for all Rose growers the best all-purpose variety we have raised." **\$100.00** per 100.

Norman Lambert (McGredy, 1926). A distinct color combination that is novel. The outside of the petals is a deep chrome-yellow with a marginal color effect of brilliant orange-scarlet merging to an irregular zone of burnt orange, the inside salmon-orange suffused bronze, shading to yellow at the base. The flowers are of medium size and form, delightfully fragrant and free-flowering. A splendid bedder. **\$50.00** per 100.

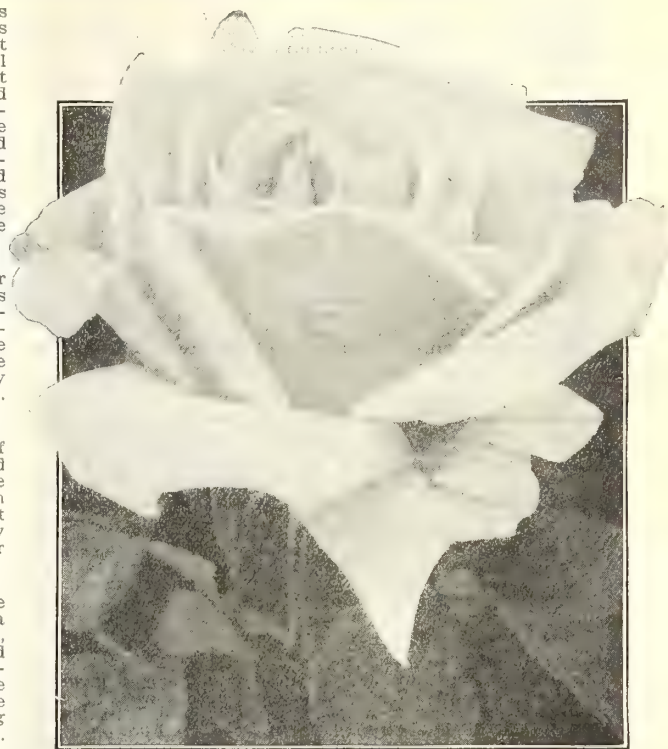

Patience (McGredy, 1927). One of the finest Roses of very recent introduction. Its splendid long pointed buds are of a deep scarlet carmine opening to large fragrant double perfect blooms that shade from orange at the base of the petals to rich carmine at the edges. It is of strong robust habit with glossy holly-like foliage and extremely free flowering for a Rose of its large size. **\$50.00** per 100.

Polly (Beckwith, 1927). A splendid Rose of the Ophelia type that we feel confident will become a general favorite. Buds long and of perfect shape, the centre golden yellow passing to a tender flushed pink towards the edges; as the large full fine flowers develop the golden base comes well up on the petals, the outer petals pass to a creamy white with just the faintest touch of pink. A strong healthy grower and free bloomer. Sweetly scented. **\$75.00** per 100.

Portadown (McGredy, 1928). Messrs. McGredy are most enthusiastic in their praise of this new deep crimson with velvety sheen which they describe as having large, full, beautifully formed flowers, reminding one in perfection of shape of Mrs. Henry Morse when at its best. Habit vigorous and bushy, a continuous free bloomer with dark green foliage. Certificate of Merit National Rose Society, England. **\$75.00** per 100.

New Hybrid-Tea Rose, **Mevrouw G. A. van Rossem**

New Hybrid-Tea Rose, **Mrs. Ersine Pembroke Thom**
The Best Yellow Garden Rose

Portadown Bedder (McGredy, 1929). This is one of the brilliant Roses that makes an instant appeal by its charming combination of unusual colors. The petals are orange-yellow on the outside, with a rich cerise flush that deepens towards the edge, and inside there is a suffusion of glowing scarlet-cerise on an orange ground, the blend of colors giving a warm tone to the whole flower, which is of moderate size, good form and thick texture of petal. They are very freely and continuously produced and are fragrant. A Rose that has only to be seen to be admired. Certificate of Merit of National Rose Society, England. **\$75.00** per 100.

President Hoover (L. B. Coddington, 1930). A glorious Rose, wonderfully free in the easy manner in which it grows and charming in its color arrangement which is a splendid combination of cerise-pink, flame, scarlet and yellow; this combination of colors gives the most dazzling color effect imaginable. The buds are beautifully pointed, the flowers large, composed of broad thick heavy petals, with an exquisite fragrance. It is exceptionally free flowering and everyone will be delighted with its habit of growth. Awarded the Gold Medal at the International Flower Show in New York, 1929. **\$75.00** per 100.

President Jac Smits (Verschuren & Sons, 1928). For brilliancy in color, a rich velvety crimson-scarlet, exceptionally long pointed buds of ideal shape, held gracefully on long straight stems and produced most generously, we know of no other variety that is its equal, but having only 18 to 20 petals, usually arranged in three rows, the flowers expand very quickly, showing the golden stamens, but even in its fully expanded form its brilliancy of color is unequaled by any other variety of this type. **\$50.00** per 100.

This Year's New Hybrid-Tea Roses—Continued

Introductions of the Rose World's Most Noted Specialists

Rosella (Pernet-Ducher, 1930). Large ovoid bud developing to a splendid large, well-formed, attractive flower of a luminous capucine yellow, with delicate salmon pink suffusion and of strong delicious fragrance. The fine flowers are borne singly on strong stiff stems, the plant is of vigorous upright habit with healthy dark green glossy foliage. **\$75.00** per 100.

Rudolph Valentino (Pernet-Ducher, 1929). The latest of Mr. Pernet's introductions. Altogether different from any other Rose, both in coloring and formation, the very large full flower which is informally, but artistically arranged, is of a lively shade of shrimp pink or coral-red with a golden coppery suffusion which is heightened by the reflection from the golden base and reverse of the petals. A most unique and striking flower in all stages of development. Habit strong and vigorous, free and continuous flowering and delicately scented. **\$75.00** per 100.

Schwabenland (Pfitzer, 1923). A Rose of great merit. There are many pink Roses but none just like this new variety either in color or in the splendid formation of its blooms. The flowers are large, over five inches in diameter, of great depth, with high spiral centre, the petals having a peculiar twist or curl give the large bloom a most graceful appearance. In color it is a luminous rich rose pink, retaining its brightness until the petals drop; the flowers are carried singly on long stiff stems. A strong, healthy, hardy, vigorous grower and free and perpetual flowering. **\$150.00** per 100.

Souvenir d'Alexander Bernaix (Bernaix, 1926). A beautiful large flower, $4\frac{1}{2}$ inches or more in diameter and unique and distinct in color, one of the deepest colored Hybrid-Tea varieties. While the flower is of flat cupped form both in bud as well as in the fully developed bloom, it is of artistic build and full double with from 48 to 50 substantial petals which are neatly arranged. In the half-expanded bud the petals are incurved, of an intense deep velvety crimson-red on a maroon ground with touches of scarlet on the outer petals. As the flower fully develops it becomes suffused with vermilion carmine at the edge of the petals. **\$75.00** per 100.

New Hybrid-Tea Rose, Schwabenland

New Hybrid-Tea Rose, President Hoover

Swansdown (Alex. Dickson & Sons, 1929.) An ideal white which in the autumn has just a tint of cream at the base of the petals. The buds are large, very long pointed of perfect shape, composed of large heavy petals and develop into splendid full very sweetly-scented flowers of spiral formation. Its growth is vigorous. In freedom of flowering Messrs. Dickson state that they do not know any other Rose of its size that will produce flowers in such profusion. **\$75.00** per 100.

Talisman (Montgomery Co., 1929). The Rose of many Gold Medals. It is the most remarkable piece of coloring that we know in any Rose; a combination of shadings of gold, apricot, yellow and deep pink or old-rose. The outside of the petals is bright yellow, gold, and pink; as the flower develops and the petals unfold they become bright apricot, gold, deep rose-pink or old-rose and unlike most Roses the color becomes brighter as the flowers develop. The bud is long, perfectly formed, averaging about 25 to 28 petals, the plant is a strong, vigorous grower with glossy green foliage and free flowering. **\$60.00** per 100.

Violet Simpson (James Simpson, 1930). A remarkably handsome Rose that will please every planter, being entirely distinct from any other variety. The flowers are of absolutely perfect formation, resembling in shape the variety Mrs. Henry Morse when at its very best but entirely different in color; the centre of the flower being a rich shrimp pink shading to soft rose on the outer petals, the base of the petals at the centre is a deep gold. In the English Rose Society's Annual for 1929, where it is illustrated in colors, it is referred to as one of the best novelties of recent years. Awarded the Gold Medal of the Scottish National Sweet Pea and Rose Society. **\$125.00** per 100.

W. E. Chaplin (Chaplin, 1929). A most meritorious red Rose of the Lord Charlemont type but better, being a free vigorous grower with healthy disease-resisting foliage. The flowers are large; every bud develops to a perfect full, high-centered, very lasting moderately sweet scented flower. Color deep crimson, deepening to carmine crimson; does not blue or burn; these are carried on long strong stems, a very free continuous bloomer. **\$125.00** per 100.

William E. Nickerson (Easlea, 1928). Very attractive and distinct, a glowing orange cerise, large, ovoid buds, developing into full double high-centered flowers of perfect form; very lasting, moderately fragrant, borne singly on long strong stems. A hardy vigorous grower with light green healthy foliage. A free and continuous bloomer. A gem in every way. **\$125.00** per 100.

General List of Hybrid-Tea Roses

This list embraces the cream of the older varieties as well as many comparatively recent introductions which by many growers are still considered in the novelty class.

Our stock this season promises to be the best we have ever sent out.

New Hybrid-Perpetual Rose Mme. Albert Barbier

Introduced several years ago, this remarkable Rose has quickly found its place in popular favor. In its habit of flowering it is as free as many of the popular Hybrid-Tea varieties, its seed parent is Frau Karl Druschki, from which it has inherited a strong, clean, vigorous growth; its buds are long and well formed of a pearly white color suffused with soft, salmony flesh and develop into large, full double imbricated flowers of splendid form which as they expand, show a golden apricot suffused centre. A gem in every respect. \$50.00 per 100.

New Hardy Climbing Roses

Chaplin's Pink Climber

Unquestionably the most important acquisition in climbing Roses since the introduction of Dr. Van Fleet and Paul's Scarlet Climber, universally recognized as the most popular climbing Roses, and to which Chaplin's Pink Climber will prove an equally valuable companion.

This striking novelty originated in the same nursery in which Paul's Scarlet Climber was raised. It is a cross between Paul's Scarlet and American Pillar, of strong growth, perfectly hardy, producing its large flowers, similar in size and form to Paul's Scarlet, profusely in strong trusses of from 8 to 12 flowers each, but in color a rich lively pink.

At the Spring Show of the National Rose Society of England in 1928, it was the outstanding feature among the new Roses and was awarded the Society's Gold Medal.

Strong two-year-old plants, \$60.00 per 100; \$500.00 per 1000.

Primrose, the New Yellow Rambler

In this we have what has long been sought after a real hardy yellow rambler a strong vigorous grower and hardy under the same conditions under which Dr. Van Fleet and similar varieties will succeed. In color light primrose-yellow which is maintained until the petals drop. Its flowers are borne in trusses of from 2 to 5, on long stems, about 2½ inches in diameter. The plant is of vigorous climbing habit, free flowering, mid-season and the flowers last in good condition for a long time, with healthy dark foliage.

Strong two-year-old plants, \$50.00 per 100; \$450.00 per 1000.

Mme. Gregoire Staechelin

Mme. Gregoire Staechelin has aristocratic parents, Frau Karl Druschki and Chateau de Clos Vougeot, and has inherited the best traits of both. The long-pointed buds are crimson at first as the sepals divide, then the firm outer petals show splashes of carmine as the flower opens, with an iridescent pearl-pink inside, and it is richly perfumed.

It grows 12 feet or more and has large, disease-resistant foliage. The main stem of the plant shoots upright and the long bloom-spurs stand out 18 inches at right angles, with exquisite, full, fragrant blooms. These blooms come early in June and last over a long period.

Strong two-year-old plants, \$75.00 per 100; \$650.00 per 1000.

The New Climbing Polyantha Rose Climbing Lafayette or Auguste Kordes

A sport of the popular Bedding Polyantha Rose Lafayette, possessing all of the good characteristics of that desirable variety, but of a strong, vigorous, climbing habit, producing its good-sized, very attractive, bright crimson scarlet flowers very freely in large trusses. The plants are covered with bloom from top to bottom in early summer, with some intermittent periods of bloom during the late summer and fall. \$75.00 per 100.

New Climbing Rose Thelma

Similar in habit of growth to Paul's Scarlet Climber which is one of its parents. The flowers are large for this type of Rose, being 3 inches in diameter, usually with three rows of petals, produced in clusters of from 3 to 18 blooms, which last in good condition a long time. Color a delicate coral pink suffused with carmine. A Rose of special merit. \$60.00 per 100.

Chaplin's Pink Climber

Rambler Roses for Early Forcing

Marie Gouchault. A variety which has met with favor with all growers of Easter plants.

In general appearance and habit of growth and formation of flowers it resembles Dorothy Perkins, but more brilliant in color, being a clear bright geranium pink without the least trace of magenta and as easy to flower for an early Easter as the variety Eugene Jacquet which it greatly surpasses in color. Strong Eastern field-grown plants suitable for early forcing. \$50.00 per 100.

Bonfire. As its name implies this is a brilliant red, really a rich cherry crimson. There is a place for a good red Rose for early forcing that will take the place of Excelsa which is not satisfactory for early work and which is supplied in this new red. Strong Eastern field-grown plants suitable for forcing. \$50.00 per 100.

New Polyantha or Baby Roses for Forcing

Magnifique. A sport from the popular variety Orleans that will unquestionably prove to be the most popular pink variety for forcing for pot culture. Color pink, like Dorothy Perkins but with neatly undulated or wavy petals forming most attractive semi-double flowers which are produced early and profusely in large branching many-flowered graceful trusses. Strong 2-year-old plants. \$50.00 per 100.

Golden Salmon. This new color in the Baby Roses is remarkable, a most distinct, brilliant, luminous orange-scarlet that everyone admires and which is certain to become one of the most popular of the Baby type, as a plant for the garden or as a pot plant for Easter, Mother's or Memorial Day. We have a large stock of strong two-year-old plants, \$40.00 per 100.

Polyantha or Baby Roses for Easter Forcing for Pots

These four varieties are offered in very select Eastern grown plants.

Ideal. The darkest colored of all the Baby Roses, an intense rich lustrous garnet.

Miss Edith Cavell. Brilliant scarlet-red with darker shadings.

Mme. Norbert Levavasseur. Crimson Baby Rambler. Orleans. Large, geranium-red, white centre.

Any of these four varieties in selected plants \$40.00 per 100.

Five Popular Bedding Polyantha or Baby Roses

Cecile Brunner (The Fairy, or Sweetheart Rose). A Polyantha variety with dainty double little flowers of perfect form produced in many flowered graceful sprays; color a soft rosy-pink on a rich creamy-white ground.

Chatillon. Very distinct, a pretty silvery crimson-rose passing to a white centre, very free, one of the most desirable varieties.

Gruss an Aachen. A very distinct type of Polyantha Rose with exceptionally large flowers for this type, always a mass of bloom throughout the season, color flesh pink with salmon and yellow shadings, very effective as a bedder.

Lafayette. Very attractive large, bright crimson-scarlet, in sprays of 40 or more flowers each, that can be depended upon for a continuous display throughout the season.

Any of the above four varieties \$35.00 per 100.

Pink Lafayette. A sport from Lafayette with which it is identical in every way except in color which is a beautiful clear rose pink. \$50.00 per 100.

Three New Single Hybrid-Polyantha Roses

Unlike all other single Roses, these new hybrids are of very vigorous habit, growing from 2 to 3 feet high and are a mass of attractive flowers throughout the season. The blooms are about two inches or more across, very substantial, not only holding their brilliant colors without fading but last for ten days or more. We strongly recommend these three varieties, they will not disappoint you.

Else Poulsen. A beautiful tone of pure rose-pink. \$40.00 per 100.

Kirsten Poulsen. Rich bright scarlet. \$40.00 per 100.

Salmon Spray. Semi-double rich salmon-pink flowers, with carmine reverse, sweetly scented, very free. \$50.00 per 100.

Hybrid-Musk Roses

Perpetual flowering Roses of shrub-like habit, valuable for planting in the shrubbery, being particularly attractive in the fall.

Cornelia. Always in bloom, with fragrant rosette shaped flowers about 3 inches in diameter, borne in clusters. Color strawberry flushed yellow.

Penelope. Semi-double, shell pink flowers shaded saffron, borne in branched clusters. Growth vigorous, nearly always in bloom.

Either of above varieties \$50.00 per 100.

New Polyantha Rose, Magnifique

Trailing Hybrid-Rugosa Rose Max Graf

Makes an excellent pillar or climbing Rose, but will be found most valuable as a ground cover for which purpose it is far superior to any of the Wichuraiana varieties. The foliage resembles Rosa Rugosa, is retained very late in the season, it is practically immune to insects and diseases and is absolutely hardy. Its flowers are large, single, bright pink with prettily crimped petals. For planting on a steep bank or for trailing over a stone wall, it has no equal. \$50.00 per 100.

Hybrid-Rugosa Roses

Red F. J. Grootendorst. The red ever-blooming Baby Rugosa. \$45.00 per 100.

Pink F. J. Grootendorst. Pretty clear pink Baby Rugosa. \$45.00 per 100.

Paul's Scarlet Climber

We offer an exceptionally fine lot of Eastern field-grown plants of this indispensable variety in selected stock suitable for forcing. \$40.00 per 100.

Rambler Rose Petit Louis

A very distinct silvery pink, vigorous hardy climber, producing its medium-sized flowers very freely in very large branched trusses. \$40.00 per 100.

Specialties and General List

Choice Hardy Shrubs

Prices include boxes and packing and delivery to transportation company
in Philadelphia

Abelia Chinensis Grandiflora

A choice, small, hardy Shrub of graceful habit, producing through the entire summer and fall months white-tinted lilac heather-like flowers in such abundance as to completely cover the plant. 3-inch pots, \$1.50 per doz.; \$10.00 per 100.

Giant-flowered Althea William R. Smith

Everyone will be pleased with this splendid variety. The habit of the plant is ideal, naturally forming attractive, symmetrical, bushy specimens, while the glistening, pure white flowers are of giant size, open out flat or salver-shaped, quite different from the older types, and are produced in great profusion from early in July until late in September.

Strong 3-year-old plants, bushy, 24 inches high, \$4.00 per doz.; \$30.00 per 100.

Hardy Japanese Azaleas

See page 10 for list of varieties, sizes and prices.

New Red-leaved Japanese Barberry

(Berberis Thunbergi Atropurpurea)

This splendid novelty has met with unusual popular favor, immense quantities have been disposed of during the past few years, and it is certain to continue in good demand.

9 to 12 inch \$2.50 per doz.; \$18.00 per 100.
12 to 15 " 4.00 " " 28.00 " "

Three Choice Evergreen Barberry

These beautiful and rare Barberries are among the best and hardest of our evergreen Shrubs. To the plant lover, who is looking for something different, whether for single specimens or group planting, they cannot be too highly recommended. From a long list of varieties recently introduced we offer the following three distinct kinds.

Berberis Gagnepaini. Long narrow green foliage with blue-black fruits.

— **Julianae.** Deep green leaves with black fruits. Very hardy evergreen variety.

— **Verruculosa.** Small shiny green leaves; compact growing evergreen, ideal for rockery.

Strong pot-grown plants, 75 cts. each; \$8.00 per doz.

Buddleia (Butterfly Shrub or Summer Lilac)

Variabilis Magnifica. The best of the Buddleias. Spikes of flowers 18 to 20 inches long, of violet-mauve with yellow centre.

3-inch pot-grown plants, \$2.00 per doz.; \$15.00 per 100.

Calluna (Scotch Heather)

Small evergreen Shrubs growing one to two feet high, with small bell-shaped flowers in great profusion from July to September.

Vulgaris. Rosy pink.

— **Alba.** Pure white.

— **Aurea.** A pretty gold leaved form of the white variety.

— **Searlei.** A tall growing form of Alba flowering in late fall.

— **Alporti.** Vigorous grower with rosy carmine flowers. Any of the above varieties, 50 cts. each.

Golden Variegated California Privet

We offer a splendid lot of two-year-old plants, nicely trimmed, very bushy specimens, from 12 to 15 inches high, which, if potted in 6-inch pots, will make most valuable material for use in window or porch boxes and other plantings. \$3.50 per doz.; \$25.00 per 100.

We also offer three-year-old bushy plants, 24 to 30 inches high, \$4.50 per doz.; \$35.00 per 100.

One-year-old stock for lining out, 12 to 15 inches high, \$10.00 per 100; \$80.00 per 1000.

Cotoneaster

Very ornamental Shrubs with decorative fruits remaining usually throughout the winter. The dwarf varieties are nearly evergreen and while especially adapted for rockery plantings are equally effective planted in clumps in front of the shrubby border or mixed with the dwarf broad leaved evergreens.

Francheti. Tall upright densely branched Shrub with spreading branches. Fruit orange-red; semi-evergreen. 60 cts. each; \$6.00 per doz.

Henryana. Half evergreen tall-growing variety with bright red fruits. 60 cts. each; \$6.00 per doz.

Horizontalis. Low growing Shrub with almost horizontal branches. Small shiny green leaves and orange-red berries produced in great quantity. One of the most effective evergreen plants for rockery or border planting. 4-inch pots, 60 cts. each; \$6.00 per doz.

Humifusa. Prostrate variety of trailing habit. Bright red berries; excellent for rockery. 60 cts. each; \$6.00 per doz.

Prostrata. A very neat dwarf variety with miniature leaves and bright red berries. 4-inch pots, 60 cts. each; \$6.00 per doz.

Salicifolia Flocosa. Large growing Shrub of graceful habit and willow-like foliage, bright red fruits extending well along the branches. 60 cts. each; \$6.00 per doz.

Daphne Cneorum (Garland Flower)

A pretty dwarf spreading Shrub from 6 to 8 inches high, valuable for the rockery or for the front of the border, producing beautiful bright pink, sweet-scented flowers early in May. Strong bushy plants 8 to 10 inches in diameter, \$1.00 each.

Kolkwitzia Amabilis (Beauty Bush)

An exceedingly handsome new ornamental Shrub from the wilds of China, resembling the Weigelia and Honeysuckle to which it is allied. Growing 6 to 8 feet high at maturity, with long arching branches, this variety combines all the merits of a perfect Shrub; hardiness, year-round beauty of foliage and habit, and an amazing profusion of pale-pink bell-shaped flowers in June. Strong plants 18 to 24 inches high, 75 cts. each.

Nandina Domestica (Chinese Bamboo)

A very handsome small Shrub, hardy as far north as Philadelphia; it grows about three feet high with graceful, light green foliage, which turns to a most attractive bronzy red early in the fall. The small white flowers are produced in good-sized erect panicles in spring and are followed by crimson berries. Strong 5-inch pots, 75 cts. each.

Viburnum Carlesi

A rare Korean variety which is entirely distinct with salver-shaped flowers of a delicate rose tinted white, passing to white sweet-scented flowers produced in terminal subglobose cymes 2 to 3 inches in diameter, reminding one somewhat of a spray of Bouvardia. Good bushy specimens 1½ to 2 feet high, \$1.50 each.

Vitex Macrophylla

In general habit similar to *V. Agnus Castus*, but much stronger in all parts, the foliage being larger while the trusses of rich lavender-blue flowers are fully double the size. It blooms from July until frost, and is likely to become as popular as the Butterfly Shrub.

Field-grown plants, one-year old, 15 to 18 inches high, \$2.50 per doz.; \$20.00 per 100.

General List of Select Hardy Shrubs

We grow large quantities of many of the popular varieties of Hardy Flowering Shrubs, such as Deutzia, Forsythia, Hydrangea, Philadelphus, Spiraea, Viburnum, Weigelia, etc. List of Varieties and Special Prices mailed on application.

We Make No Charge for Boxes or Packing

Select Hardy Vines and Climbers

We Make No Charge for Boxes or Packing

Actinidia Arguta (Silver Vine)

Strong two-year-old plants, \$7.50 per doz.

Akebia Quinata

Strong two-year-old plants, \$3.50 per doz.; \$25.00 per 100.

Ampelopsis Veitchi

Strong two-year-old plants, \$4.00 per doz.; \$30.00 per 100.

Ampelopsis Quinquifolia (Virginia Creeper)

Strong two-year-old field-grown plants, \$3.00 per doz.; \$20.00 per 100.

Ampelopsis Engelmanni

Strong two-year-old field-grown plants of this most useful variety. \$3.50 per doz.; \$25.00 per 100.

Aristolochia Sipho (Dutchman's Pipe Vine)

6-inch pots, 75 cts. each; \$9.00 per doz.

Bignonia (Trumpet Creeper)

Grandiflora (True Variety). 50 cts. each; \$5.00 per doz.

Radicans. Strong plants. \$2.50 per doz.; \$20.00 per 100.

Celastrus Scandens (Bitter Sweet or Wax Work)

Strong plants, \$3.50 per doz.; \$25.00 per 100.

Clematis Paniculata (Japanese Virgin's Bower)

We, and no doubt every other grower and planter of Clematis Paniculata, have frequently met with serious losses in the transplanting of field-grown stock, and the larger and older the plants are, the more serious the losses; this has determined us to offer these only in pot-grown plants.

Strong, 3-inch pots, \$1.50 per doz.; \$10.00 per 100; \$75.00 per 1000.

Clematis Montana Undulata

(Anemone Clematis)

A strong, vigorous, perfectly hardy type that succeeds under the most adverse conditions. The Anemone or Windflower-like white flushed mauve flowers are from 1½ to 2 inches in diameter and frequently begin to expand as early as the last week in April, continuing well through May and are produced very freely. The best of the early spring-flowering climbers, of which there are but few. 60 cts. each; \$6.50 per doz.; \$50.00 per 100.

Large Flowering Clematis

Duchess of Edinburgh. Double white.

Jackmani. Blue.

Henryi. White.

Mme. Edouard Andre. Bright rosy carmine.

Two-year-old plants. 60 cts. each.

Euonymus

Kewensis. A variety with very small dark green foliage. Everyone who has seen this appreciates its value as a rock plant or ground cover. It grows close to the ground, and is one of the most valuable plants for under trees where grass will not grow. 3-inch pots, \$1.75 per doz.; \$12.00 per 100.

Radicans. Strong plants of this desirable green cover plant. \$1.75 per doz.; \$12.00 per 100.

Radicans Acuta. A strong growing variety, with long narrow dark green leaves, veined with gray. \$1.75 per doz.; \$12.00 per 100.

Radicans Acuta Colorata. Like Acuta, but with the foliage tinted purplish red, particularly on the under side. \$1.75 per doz.; \$12.00 per 100.

Radicans Variegata. Good plants of this useful variegated leaved form. \$1.75 per doz.; \$12.00 per 100.

Radicans Vegeta. A large leaved form, fine for covering walls. Strong plants, \$2.00 per doz.; \$15.00 per 100.

Dreer's Hardy Perennial Flower Seeds

Almost every up-to-date Florist and Nurseryman now include in the stock which they handle a more or less complete line of Hardy Perennials. The Florist finds a ready sale not only for the plants but for the cut flowers as well, while the Nurseryman finds a good assortment invaluable in his landscape work. We offer the very best and most popular sorts that can readily be grown from seed.

Achillea (Milfoil, or Yarrow)

Ptarmica "The Pearl." One of the best hardy white perennials. Grows about 2 feet high, and from spring to frost is covered with heads of purest white double flowers. Easily grown from seed. Trade pkt., 50 cts.; per oz., \$3.00.

Aconitum (Monkshood, or Wolfsbane)

Napellus. Produces long spikes of blue and white flowers. Well adapted for planting among shrubbery or in shady corners; seed is of slow germination; 3 to 5 feet. Trade pkt., 40 cts.; per oz., \$2.00.

Agrostemma (Rose Campion)

Stout, erect-growing plants with silvery foliage, which contrasts well with the showy flowers, which are produced during June and July.

Coronaria (Mullein Pink). Bright rosy-crimson, 2½ to 3 feet. Trade pkt., 10 cts.; per oz., 25 cts.

Alba. A pure white variety. Trade pkt., 10 cts.; per oz., 30 cts.

Alyssum (Goldentuft)

Saxatile Compactum. An indispensable plant for the rockery or border, growing 1 foot high and producing in May masses of broad, flat heads of bright yellow flowers. Trade pkt., 15 cts.; per oz., 50 cts.

Ampelopsis (Boston, or Japanese Ivy)

Veitchi. The best and most popular hardy climber for covering brick or stone walls. Trade pkt., 10 cts.; per oz., 25 cts.; per ¼ lb., 75 cts.

Anchusa (Alkanet, Bugloss)

Italica Dropmore Variety. One of the best hardy perennials and becoming more popular each season, grows 3 to 5 feet high, and bears in abundance flowers of the richest gentian-blue during May and June. Trade pkt., 15 cts.; per oz., 50 cts.

Italica Lissadell. An improved form of the Dropmore variety, of strong, vigorous growth, about 5 feet high, with sprays of extra large clear gentian-blue flowers. Trade pkt., 40 cts.; per oz., \$2.00.

Anchusa Italica, Dropmore Variety

Dreer's Long-spurred Aquilegia (Columbine)

Anemone (Windflower)

A very pleasing perennial, producing large flowers; few plants compare with them in beauty; fine for bouquets. Sow outdoors in spring; keeping shaded till the plants appear.

Coronaria. Mixed Colors (Poppy Anemone). Trade pkt., 20 cts.; per oz., 60 cts.

St. Brigid. A beautiful selection of the above. Our seed comes from a famous Irish grower and comprises semi-double and double flowers in a wonderful array of colors. Trade pkt., 50 cts.; per oz., \$2.50.

Anthemis (Hardy Marguerite)

Kelwayi. A most satisfactory hardy perennial, bearing all summer daisy-like golden-yellow blossoms; excellent for cutting; 2 feet. Trade pkt., 25 cts.; per oz., \$1.00.

Portola Hybrids. We consider this one of the most valuable perennial introductions in many years. The plant is of strong, vigorous, upright habit of growth, 2½ to 3 feet high, with heavy, leathery, glaucous, foliage; the long flower stems, straight and strong, hold the massive yellow and red flowers erect	40	2 00

Helenium (Sneeze Wort)

Strong-growing hardy perennials, giving an enormous crop of flowers in late summer.

	Tr. pkt.	Oz.
Autumnale Superbum. Golden-yellow flowers; 5 to 6 feet.....	\$0 25	\$1 00
Riverton Beauty. Rich lemon-yellow with a large purplish-black cone; 4 feet	25	1 00

Helianthemum (Rock, or Sun Rose)

Mutabile. Exceedingly pretty low growing, evergreen plants, forming broad clumps, and which during their flowering season, July to September, are quite hidden by a mass of bloom; well adapted for the front of the border, the rockery, or a dry, sunny bank. Choice mixed varieties. Trade pkt., 20 cts.; per oz. 75 cts.

Helianthus (Hardy Perennial Sunflowers)

Mixed. Contains the finest single-flowering hardy perennial sorts. As subjects for the hardy border as well as for cutting they are of great value. Trade pkt., 25 cts.; per oz., \$1.00.

Gaillardia Grandiflora

Heliopsis (Orange Sunflower)

Pitcheriana. A desirable hardy plant 3 to 4 feet high. Flowers are of beautiful deep golden-yellow color about 2 inches in diameter; of very thick texture and very graceful for cutting. Trade pkt., 10 cts.; per oz., 30 cts.

Scabra Zinniaeflora. Very rich chrome yellow flowers turning to a bright yellow as they mature. These are nearly double and freely produced from July to September; 25 cts. per trade pkt.; \$1.00 per oz.

Heuchera (Coral Bells or Alum Root)

Sanguinea. One of the finest hardy perennials. The flowers are of a rich, bright coral-red color; the leaves light green and slightly hairy. Excellent for cutting. Trade pkt., 50 cts.; per oz., \$6.00.

Giant Hibiscus

A wonderfully improved form of our native Marsh-mallow, in which flowers of enormous size have been developed. The colorings comprise rich dark red, soft mallow-pink and pure white; the plants grow from 5 to 8 feet high, blooming from early in July until late in autumn; and are perfectly hardy.

Pentstemon (Beard Tongue)

Most useful showy perennials, flowering throughout the summer months.

Barbatus Torreyi. Spikes of brilliant scarlet flowers; height, 3 to 4 feet. Trade pkt., 20 cts.; per oz., 75 cts.

Grandiflora Mixed. Containing a great variety of sorts. Trade pkt., 20 cts.; per oz., 60 cts.

Phlox

Decussata. Seed saved from a fine collection of named sorts. Can be supplied in mixture only. Trade pkt., 30 cts.; per oz., \$1.50.

Physostegia

Virginica. It forms dense bushes, 3 to 4 feet high, bearing spikes of delicate pink tubular flowers not unlike a gigantic heather	\$0 25	\$1 00
Virginica Alba. A pretty white flowered form of the above.....	25	1 00

Papaver Nudicaule (Iceland Poppies)

Physalis (Chinese Lantern Plant)

Franchetii. An ornamental variety of the Winter Cherry, forming dense bushes, about 2 feet high, producing freely its bright orange-scarlet lantern-like fruits, which can be cut and dried, in which shape they are used extensively for floral decorations during the winter. Trade pkt., 20 cts.; per oz., 75 cts.

Platycodon (Japanese Bellflower)

One of the best hardy perennials, producing very showy flowers during the whole season. Excellent for planting in permanent borders or among shrubbery; easily raised from seed.

	Tr. pkt.	Oz.
Grandiflorum. Large steel-blue flowers.	\$0 30	\$1 50
" Mariesi. Dwarf blue ...	50	2 50

Polemonium (Jacob's Ladder)

Coeruleum. Popular hardy perennial, with bell-shaped bluish-purple flowers nearly 1 inch across; 2 feet; May to July. Trade pkt., 15 cts.; per oz., 50 cts.

Polyanthus

	Tr. pkt.	Oz.
Invincible Giant. An extra fine large flowering strain containing all colors.	\$0 50	\$5 00
Giant Munstead Strain. Extra large flowers in white and yellow.....	50	5 00
English Mixed. A very good grade saved from a fine strain containing all colors	25	1 00

Potentilla

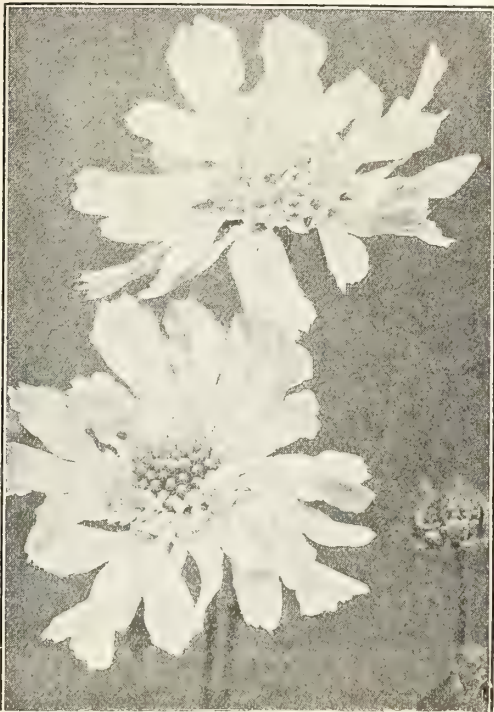

Double Hybrids. Many colors.....	75	
Single Hybrids. Many colors.....	20	75

Primula (Hardy Primrose)

Japonica (Japanese Primrose). Bright and showy flowers; borne in whorls on stems 6 to 9 inches long; mixed colors	50	2 50
Vulgaris (English Primrose). Canary-yellow, fragrant	50	2 50

Pueraria (Japanese Kudzu Vine)

Thunbergiana. The fastest growing hardy climbing plant. It will grow 8 to 10 feet the first year from seed. Its foliage is large, and covers well; it bears small racemes of rosy-purple, pea-shaped blossoms towards the close of August. Trade pkt., 10 cts.; per oz., 25 cts.; ¼ lb., 75 cts.

Scabiosa Caucasica. (Offered on page 56)

Pyrethrum Hybridum

One of the really good hardy perennials, valuable alike for cutting or planting in the hardy border.

	Tr. pkt.	Oz.
Single. Mixed colors.....	\$0 30	\$1 25
Grandiflorum. Single, large flowering. Mixed	50	2 50
Double. Saved from a fine strain.....	1 00	6 00

Rudbeckia (Cone-Flower)

Indispensable plants for the hardy border, grow and thrive anywhere, giving a wealth of bloom, which are well suited for cutting.

Newmani. Dark orange-yellow flowers, with deep purple cone, borne on stiff, wiry stems, 3 feet high; flowers from July to September. Trade pkt., 25 cts.; per oz., \$1.00.

Purpurea. (Giant Purple Cone-Flower). Flowers about 4 inches across, of a peculiar reddish-purple with a remarkably large cone-shaped centre of brown; forms bushy plants 3 feet high, and blooms from July to October. Trade pkt., 25 cts.; per oz., \$1.00.

Salvia (Sage)

Azurea Grandiflora. A hardy perennial variety, producing during August and September spikes of pretty sky-blue flowers in great profusion; 3 to 4 feet. Trade pkt., 40 cts.; per oz., \$2.00.

Farinacea. Light blue, makes a fine line. Trade pkt., 40 cts.; per oz., \$2.00.

Sclarea. A beautiful and effective hardy biennial variety, growing 3 to 4 feet high with immense loosely arranged spikes of attractive old rose shading to white floral leaves, produced through July and August. Trade pkt., 25 cts.; per oz., \$1.00.

Saponaria (Soap Wort)

Ocymoides. A very useful hardy plant for the rockery or the border, producing from May to August masses of attractive small bright rose flowers; 8 inches. Trade pkt., 15 cts.; per oz., 50 cts.

Statice Latifolia. (Offered on page 56)

Sweet William

Scabiosa

Caucasica (Blue Bonnet). One of the handsomest of hardy perennials, especially valuable for cutting, the blooms lasting a long time in water; color soft lavender-blue; 3 feet. Trade pkt., 40 cts.; per oz., \$2.00.

Columbaria. This new variety from South Africa is of great value for cutting. Color delicate mauve and soft pink. Trade pkt., 50 cts.; per oz., \$3.00.

Japonica. A variety from Japan, forming bushy plants, 2½ feet in height, and bearing on long, wiry stems beautiful, artistic, lavender-blue flowers; a fine cut flower. Trade pkt., 15 cts.; per oz., 50 cts.

Statice (Sea Lavender)

Splendid hardy perennials, either for the border or rockery, producing all summer panicles of minute flowers, which can be dried and used for winter bouquets.

Latifolia. Purplish-blue flowers. Trade pkt., 25 cts.; per oz., \$1.00.

Mixed. Containing many sorts. Trade pkt., 15 cts.; per oz., 50 cts.

Stokesia (Cornflower Aster)

Mixed colors. Trade pkt., 50 cts.; per oz., \$2.50.

Sweet Rocket (Hesperis)

Old-fashioned hardy garden plants; grows from 2 to 3 feet high, and bears spikes of showy white, lilac and purple fragrant flowers. Excellent for naturalizing among shrubbery or for planting in a permanent border; mixed colors. Trade pkt., 10 cts.; per oz., 25 cts.

Sweet William (Dianthus Barbatus)

There is always a good demand for these beautiful free-flowering old-fashioned favorites. Very easily raised from seed.

	Tr. pkt.	Oz.
Single Holborn Glory. Large-flowering auricula-eyed. Various colors.....	\$0 15	\$0 50
Single Newport Pink. Salmony rose or Watermelon pink	25	1 00
Single Scarlet Beauty. Intense bright scarlet	20	60
Single White	15	50
" Velvet Black Maroon.....	15	50
" Mixed. All colors....¼ lb., \$1.00	10	30
Double-flowering Mixed. All colors.....	20	60
" Giant Mixed. Very large	25	1 00

Thalictrum (Meadow Rue)

Aquilegifolium Album. Elegant Columbine-like foliage and masses of feathery white flowers during June and July; 3 feet. Trade pkt., 25 cts.; per oz., \$1.00.

Dipterocarpum. We consider this beautiful species one of the real gems among hardy plants, not only for the garden, but its dainty, graceful sprays of flowers, elegantly arranged on stems 4 feet high, are invaluable for cutting; the flowers are of charming shade of violet-mauve, which is brightened by a bunch of lemon-yellow stamens and anthers. Trade pkt., 50 cts.; per oz., \$2.50.

Tritoma

(Red-hot Poker, Flame Flower, or Torch Lily)

Hybrida. It is not generally known that Tritomas are readily grown from seed. The seed we offer has been saved from a splendid collection. Trade pkt., 25 cts.; per oz., \$1.00.

Tunica

Saxifraga. A pretty tufted plant with light pink flowers; produced all summer, useful either for the rockery or the border. Trade pkt., 15 cts.; per oz., 50 cts.

Valeriana (Valerian)

Rubra, Mixed. Showy, hardy border plants; producing large corymbs of red or white flowers; fine for bouquets; mixed, 2 feet. Trade pkt., 15 cts.; per oz., 50 cts.

Veronica (Speedwell)

Maritima (Longifolia). Long spikes of blue flowers from July to September. Trade pkt., 25 cts.; per oz., \$1.00.

Spicata. An elegant hardy border plant, growing about 1½ feet high, producing long spikes of bright blue flowers in June and July. Trade pkt., 30 cts.; per oz., \$1.50.

Wallflower

Well-known deliciously fragrant half hardy perennials, blooming early in the spring, with spikes of beautiful flowers. In the north they should be protected in a cold frame in the winter and planted out in April.

	Tr. pkt.	Oz.
Single Goliath. Deep velvety brown red.	\$0 15	\$0 40
Single Extra Early Paris. Flowers first season. Excellent for forcing. Mixed colors	10	30
Single Mixed. All colors. ¼ lb., 75 cts..	10	25
Double Flowering Mixed	40	2 00
Double Early Wonder. Comes into bloom within 5 months from seed.....	50	

Tritoma (Red-hot Poker Plant)

Barrel, \$9.00; box, \$5.50; Leaf Rack.....	10 50

Dreer Riverton Tubs. This tub is unquestionably the
neatest plant tub obtainable. Its adoption as the Dreer
standard was the result of countless experiments at
our Nursery. Comparisons will show the Riverton tub
to be at least one inch deeper than others being offered.
Made of cedar, with electrically welded hoops, painted
green. The four largest sizes are supplied with drop
handles.

Insecticides and Fungicides

PARCEL POST. Only those insecticides marked * can be shipped through the mails. Articles so marked will be shipped provided sufficient postage is included with your order. Those not marked will be forwarded freight or express charges collect.

All-In-One-Mixture. A dry combination of 1 1/4 per cent. Nicotine, 9 per cent. Arsenate of Lead and 65 per cent. Sulphur, controlling many fungous diseases, and both chewing and sucking insects. 1 lb., 75 cts.; 5 lbs., \$2.25; 10 lbs., \$4.00.

***Ant Destroyer.** An effective remedy for Ants, 1/2 teaspoonful required for each ant hill. 1/4 lb., 30 cts.; 1/2 lb., 50 cts.; 1 lb., 75 cts.; 5 lbs., \$2.00.

Antrol. The most effective method of eradicating ants, the more persistent infestations are cleaned up thoroughly with this product. Trial set, consisting of 4 small jars for distributing the material about the greenhouses, and a supply of syrup, \$1.00. Antrol syrup, pints, \$1.00; gallons, \$4.00 (Not mailable.)

Aphine. A nicotine preparation for plant lice, thrip and red spider. Dilute 1 part to 40 parts of water. 1 qt., \$1.00; 1 gal., \$3.00.

***Aphis Fum.** A nicotine saturated paper for fumigating. Pkg. of 12 sheets, 85 cts.; \$8.50 per case of 12 packages.

Arsenate of Lead. Powder. Superior to paste in that it does not deteriorate from standing. 1 lb., 40 cts.; 4 lbs., \$1.25; 24 lbs., \$6.50; 100 lbs., \$20.00.

Black Leaf 40. A concentrated nicotine solution for aphids, thrip and red spider. Dilute 1 oz. to from 3 to 6 gallons of water. 1 oz., 35 cts.; 1/2 lb., \$1.25; 2 lbs., \$3.25; 10 lbs., \$11.85.

Bordeaux Mixture. Powder. Can be used dry or as a spray. When used as a spray 6 lbs. to 50 gallons of water will make standard 3-50 mixture. 1 lb., 30 cts.; 4 lbs., \$1.00; 24 lbs., \$5.50; 100 lbs., \$18.50.

Bordeaux Arsenate of Lead. Powder. Use 7 lbs. to 50 gallons of water. 1 lb., 40 cts.; 4 lbs., \$1.50; 8 lbs., \$2.50; 24 lbs., \$6.00; 100 lbs., \$21.50.

Cyanogas, "Calcium Cyanide." Grade G, Greenhouse fumigant, gives complete control over white fly, aphids, soft scale and thrips. Easily applied, not injurious when used according to directions. Dosage: 1/4 ounce to 1000 cubic feet. 1 lb., 75 cts.; 5 lbs., \$3.00; 25 lbs., \$10.00.

***Evergreen.** A non-poisonous insecticide that is as equally efficient in the greenhouse as well as in the flower and vegetable garden. Destroys a great number of both chewing and sucking insects without danger of burning the plants. 1-oz. bottle, 35 cts.; 6-oz. bottle, \$1.00; pint, \$2.00; quart, \$3.50; gallon, \$13.00.

Fungine. A remedy for fungus. Use 1 part to from 35 to 50 parts of water. 1 qt., \$1.00; 1 gal., \$3.00.

Fungtrogen. A most effective and scientific preventive and remedy for mildew, blackspot and other fungoid diseases of roses. Pint, \$1.25; quart, \$2.00; 1/2 gallon, \$3.50; gallon, \$6.00.

Grape Dust. Powder. A recognized preventive for fungous disorders, mildew and mold. 5 lbs., 85 cts.; 10 lbs., \$1.50; 25 lbs., \$3.75; 100 lbs., \$13.75.

***Insect Spray, "Red Arrow."** A contact insecticide that may be used within the greenhouse, upon the most tender foliage without fear of burning, and upon the most delicate flowers without staining. Very effective on fern caterpillars, mealy bug, white fly, etc. Economical to use, being decidedly successful at dilution of one to five hundred. Quarter pint \$1.00; half pint, \$1.75; quart, \$6.00; gallon, \$20.00.

Insectogen. A complete spray. Poison, fungicide and fertilizer. Highly effective for leaf chewing insects, and an equally efficient detergent for Black Spot on Roses, and Mildew and Red Spider on Phlox. 1/2 pint, \$1.00; pint, \$1.75; quart, \$2.75; 1/2 gallon, \$4.50; gallon, \$8.00.

***Kerosene Emulsion.** Paste. Effective against scale and aphids. Dilute 1 qt. to 20 gallons of water. 1 qt., 60 cts.; 1 gal., \$1.35; 5 gals., \$6.00.

***K. R. O. (Kills Rats Only.)** May be used with entire safety about the home, the barn or poultry house, since it is not a poison and is harmless to human beings, live stock, pets or poultry. 2 ounce package, 75 cts.

***Lemon Oil.** Effective against scale and aphids. Dilute 1 part to 10 parts of water. 1/2 pt., 35 cts.; 1 pt., 55 cts.; 1 qt., 90 cts.; 1 gal., \$2.75; 5 gals., \$11.00.

Nico Fume. Liquid. An effective vaporizing liquid. 1/4 lb., 75 cts.; 1 lb., \$2.00; 4 lbs., \$6.25; 8 lbs., \$11.50.

***Nico Fume. Paper.** A nicotine preparation. Furnishes easiest method of fumigation. Box of 24 sheets, \$1.25; 144 sheets, \$5.00; 288 sheets, \$8.75.

Nico Fume. Powder. For fumigating greenhouses; contains 12 1/2% nicotine. 1 lb., \$1.00; 5 lbs., \$3.75; 10 lbs., \$6.85.

Vikoteen (30 per cent. Solution). Excellent for spraying or vaporizing. 1/2 lb. bottle, \$1.25; 1 lb., \$2.00; 4 lbs., \$6.25; 8 lbs., \$11.50.

Pomo Green. A combination fungicide and insecticide being composed of Sulphur with Arsenate of Lead. It serves as a quick acting poison for leaf eating insects and controls mildew and black spot and other fungus disturbances affecting roses, snapdragons, phlox, carnations, etc. **Invisible on green foliage.** 5 lbs., \$1.50; 25 lbs., \$7.00. (Not mailable.)

Pyrox. (Bordeaux Arsenate of Lead, Paste). A combination of Bordeaux Mixture and Arsenate of Lead, forming thereby a remedy for fungus and leaf-eating insects. Use 1 lb. to from 5 to 10 gallons of water. 1 lb., 50 cts.; 5 lbs., \$1.75; 10 lbs., \$3.00; 25 lbs., \$6.25; 50 lbs., \$11.25; 100 lbs., \$18.50.

***Qua-Sul.** The most effective fungicide for the control of mildew, blackspot, delphinium and antirrhinum rust, damping off fungus, etc. 1 qt., \$1.00; 1 gal., \$3.75; 5 gals., \$17.50.

Semesan. A disinfectant for the control of Seed, Plant and Soil diseases. It increases seed germination and seedling growth, preventing the damping off fungus so destructive to both seedling plants and cuttings. Used either as a dust or in solution. 2 oz., 50 cts.; 1 lb., \$2.75; 5 lbs., \$13.00; 25 lbs., \$56.25. (Not mailable.)

Semesan Bel. Developed specifically for the control of fungus diseases attacking potatoes and other roots and tubers. One lb., \$1.75; 5 lbs., \$8.00; 25 lbs., \$31.25. (Not mailable.)

***Slug Shot.** One of the most known remedies for cabbage and currant worms. Apply as bought. 1 lb., 18 cts.; 5 lbs., 60 cts.; 25 lbs., \$2.50; 100 lbs., \$9.50.

Snarol. An effective bait for controlling cutworms, grasshoppers, snails, slugs and sow bugs. Not injurious to plants or other vegetation. 1 pound 50 cts.; 3 lbs., \$1.00; 15-lb. bag, \$4.00. (Not mailable.)

CONDITIONS OF SALE

PARCEL POST—We will be pleased to send such items as can be mailed by Parcel Post if customers will remit for postage. We do not deliver any goods free at Wholesale prices.

PRICES—This list cancels all previous offers. The prices quoted in this list are net, and subject to no discounts.

TERMS OF BUSINESS—Unknown correspondents desiring to open an account will please furnish three references to parties in the trade with whom they have had credit relations, and sufficient time to investigate same, otherwise cash must accompany order.

Remittances should be made by Post-Office Money Orders, Drafts on New York or Philadelphia banks, or Express Money Orders. Where it is not possible to obtain these, the letter should be registered. We cannot guarantee receipt of money sent in any other way.

Goods desired C. O. D. must be accompanied by a remittance equal to 25% of the total value of order to guarantee acceptance. No perishable stock will be sent C. O. D.

All goods are offered subject to crop failures, shortages or other causes beyond our control and to being unsold on receipt of order, and we reserve the right to advance prices without notice.

No charge is made for boxes or packing, nor for delivery to Freight Depots or Express Offices in Philadelphia.

In filling out your order always give Shipping Directions, and write Name and Address Distinctly on each and every order.

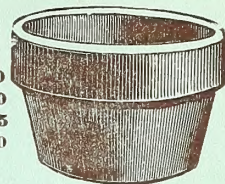

SHIPPING—It is customary for our patrons to receive their orders from us in perfect condition, but all shipments are made at purchaser's risk, our responsibility ceasing after we deliver the goods in good order to transportation company.

NON-WARRANTY—Henry A. Dreer, Inc., gives no warranty, express or implied, as to description, quality, productiveness, or any other matter, of any Seeds, Bulbs or Plants they sell, and will not be in any way responsible for the crop. If the purchaser does not accept the goods on these terms, they are at once to be returned.

TRUCK AND LEAP BACK

Dreer's Celebrated Lawn Grass Seeds

Lawns made in the Fall have many advantages over those made during the Spring, as the conditions are ideal for quick germination of seed, and grass will make deeper roots and more healthy growth. We use only the highest quality of Recleaned and Perennial Grass and Clover Seeds in the composition of our lawn mixtures. No cheap annuals such as Timothy are included for we aim to produce permanent results rather than a quick but temporary effect. Put up in attractive and convenient-sized cartons, they make a very necessary and profitable side line for every Florist to stock.
